PE Newsletter 15th-19th June

Year 7

Year 7 Boys Cricket

The Year 7 boys competed in the U13 cricket tournament, playing against teams a year older than themselves. Throughout the competition, they demonstrated an excellent attitude, showing determination, resilience and a willingness to learn. Despite the age difference, the team remained competitive in every game and represented the school superbly.

It was particularly pleasing to see students who had not previously played much cricket improve with each match. As the tournament progressed, more players began to contribute with both bat and ball, scoring runs, taking wickets and growing in confidence.

The Player of the Tournament award goes to Ezra, who made valuable contributions with both bat and ball. In addition, he led the team through his continual positivity, encouragement and enthusiasm, setting an excellent example for his teammates.

The experience gained from competing against older players will undoubtedly benefit the boys moving forward. It will be exciting to see them return to the same tournament next year when they will be competing against boys of their own age group.

Year 8

U13A Girls Cricket

The year 8s joined up with the year 7s this week at the Western area cricket tournament. With no breaks and back to back games the girls went from strength to strength only losing their first game. Charlotte and Lily were the top bowlers, frequently taking to bowl 10 balls straight and getting a number of wickets between them. Ellie was a strong wicket keeper throughout, keeping the batters on their toes. Fantastic batting from Emily, Aaliyah and Lilly P saw many 4's and 6's in every game. An amazing all round team effort from all. Well done girls!

Year 9

Year 9 Girls Cricket

On Wednesday, the Year 9 girls attended the local cricket festival at Bury Cricket Club, where they competed in a series of back-to-back matches against schools from across Suffolk. Despite being one of the younger teams at the event and often facing Year 10 opposition, the girls rose to the challenge with determination and enthusiasm.

Throughout the day, they represented the school superbly, demonstrating excellent sportsmanship, teamwork, and respect towards both their teammates and their opponents. The team experienced a mixture of results, securing some impressive victories while also learning valuable lessons from a number of defeats.

What stood out most, however, was the incredible team spirit and camaraderie shown by the girls from start to finish. They supported one another throughout the day, remained positive in every game, and should be extremely proud of the way they conducted themselves both on and off the field.

Well done to all involved on a fantastic day of cricket.

Year 9 Rounders

The girls had the Western rea tournament this week over in Sudbury. Despite a slow start batting against Finborough, the girls outstanding fielding got the opposition all out by ball 17, but due to their slow bat they just missed out on a win by 1 rounder. The next 2 games were fantastic, getting TGS all out by ball 15 and putting pressure on County to stop the full rounders with only one of their players in from ball 19. The strong combination of Lylah as backstop and getting great balls to Matilda on first and Mollie at Second saw the girls go from strength to strength. Kerri consistently bowled well and the girls out in the field worked brilliantly together. Faith, Mylee and Kerri all got some bit hits and strong rounders in each game. Well done girls. A well deserved place in the county finals!

Fixtures Next Week:

Monday 22nd June -

- Year 8 Girls Rounders @ TGS (3:00pm-6:00pm) G.Whitifield

Tuesday 23rd June -

- Year 7 Girls Rounders @ Finborough (1:30pm-4:30pm) J.Howland
