Year 9 Rounders County Finals

Earlier this week, the Year 9 girls' rounders team competed in the Suffolk County Rounders Finals, taking on strong opposition from Ipswich High, Chantry, Finborough and Sir John Leman.

The girls produced an outstanding performance throughout the afternoon, demonstrating excellent teamwork, tactical awareness and determination. Their efforts earned them an impressive **3rd place in Suffolk**.

A special mention goes to **Miley**, who secured a dramatic victory against Chantry by scoring the winning point with the final ball of the game. **Keri** was exceptional throughout the competition, leading the team brilliantly while delivering consistently accurate bowling. **Lylah** also had an outstanding tournament, hitting the biggest strike of the day and excelling in her role as backstop.

Congratulations to the entire team on a fantastic achievement. You represented the school with pride, determination and excellent sportsmanship. Well done, girls!

Year 10 Athletics

A huge well done to the U15 athletics team, who competed in the West Suffolk Athletics Super 8s Competition on Friday.

With the team made up predominantly of Year 9 students, many of whom stepped in at the last minute, they rose to the challenge brilliantly and represented the school with pride. Well done to Millie for representing year 10 on her own!!

There were some fantastic individual performances throughout the day. **Miley** and **Isla** both won their 300m heats, while **Will** produced two excellent performances, finishing **2nd in the 100m** and **3rd in the 1500m**.

The entire team were a pleasure to take to the fixture, showing outstanding attitude, enthusiasm and resilience throughout the day. They supported one another from start to finish and should all be incredibly proud of their efforts.

Well done to everyone involved!

Other News

In May, Logan won the first round of the Play Your Way to Wimbledon U14 Singles, qualifying him for the county final. On Sunday, he competed in that final at Felixstowe on the grass courts. He stayed calm, kept his composure, worked his way through the knockout draw, and won. This victory has secured him a place at the national finals on 2nd August, where he will play at Wimbledon on the grass courts.

He will also have access to the changing rooms, the players' restaurant, and a tour of the museum — an amazing opportunity for him.

A huge well done Logan and enjoy the experience!
