Dear Parents/Carers

### Autumn Report

We are writing to let you know that from 3pm on Tuesday 26<sup>th</sup> January, your child's Autumn report is ready for you to view on Go4Schools. Please note that these reports refer to the timeframe before we were closed because of Covid-19. The reports do not refer to student efforts during this school closure.

**The Year 8 Tripod Evening takes place later this week on Thursday the 28<sup>th</sup> of January**, so please make sure that you make appointments to meet your child's teachers where you can discuss their progress in more detail.

If you seek any clarification or have any questions, then please feel free to email us and we will get back to you. Please can you mark your email '**For the Attention of <Teacher's name>**' so that we can direct it to the right teacher, using the email address: [enquiries@stowhigh.com](mailto:enquiries@stowhigh.com)

### Effort

This will give you an idea of how hard your child was working. Hard work really does pay off and every year we see that the most successful students, those who meet and exceed their targets, are those who put all that they can into their studies. The goal for each student should really be to achieve 5's for effort grades in all of their subjects.

Effort	Description
1	Very little effort shown in lessons. Regularly off-task. Behaviour may disrupt own and others learning. Shows very little motivation. Very poor attitude to learning
2	Some effort is shown in lessons, but this is inconsistent and there is behaviour that sometimes disrupts own or others learning. A better attitude to learning is required.
3	Appropriate effort is being shown in lessons. Behaviour is positive and motivation and attitude to learning is at an acceptable level.
4	Good effort, behaviour, motivation and attitude are shown in lessons.

5	Excellent effort in every lesson. Strives to carry out tasks to the very best of their ability. Excellent behaviour, motivation and attitude to learning.

### Professional Predicted Grade

The report also contains your child's target grade and predicted grade for each subject. This professional predicted grade is based upon assessments taken to date, homework performance and the work carried out so far in lessons. Using all this evidence, this is the grade that each teacher predicts that your child will achieve in their real GCSE if they carry on as they are now.

### Progress

With the long term target in mind, this comment indicates whether or not a student is making sufficient progress at this stage in their schooling to achieve that target in Year 11.
