Our Ref: SB465 and SB404  
Date: 23 October 2019

Dear Parent or Guardian,

**TRANSPORT ARRANGEMENTS: SB465 and SB405**  
**School attended: Stowmarket High School**

We are writing regarding important changes to home to transport for Stowmarket High School. Due to operational reasons, Ipswich Buses SB465 between Willisham, Barking and Needham Market to the school is being withdrawn. The last day of service will be Friday 1<sup>st</sup> November 2019

With effect from Monday 4<sup>th</sup> November 2019 your child will be transferred to Ipswich Buses SB405 which also operates in Barking but in the opposite direction to SB465. The timetable for SB405 is enclosed, along with a temporary bus pass to show the driver. The plastic card will follow in due course. It is essential that all pupils use the appropriate revised route / bus otherwise there is the potential of overloading and for safety reasons the drivers may refuse travel.

Stowmarket High School are aware of the planned changes.

Please accept our apologies for an inconvenience that this change may cause.

Thank you for your co-operation

Yours sincerely

Andrew Gee
