

futures fortnightly

EDITION 2 | 5th February 2021

Dear Parents, Carers and Students

It's been a busy two weeks and the futures team have been making new connections, gaining momentum with new ideas and trying to maintain as much support as we can for our students in this turbulent time.

Obviously, most of what we do in this ever changing and socially distanced world, has to be virtual and via a screen. We, as a school, have been adapting to new ways of working and the outside world is no different. The look and feel of the future world of work is ever changing and many businesses and careers providers are already adapting to online platforms and engaging with students and employers via Teams, Zoom or Google to name but a few. It is our goal to try and work within this new virtual space because we have to maintain that support and more importantly because we need to. We must help prepare our students for the future world; virtual technology careers are coming and they require specific skill sets to work within them.

It is our aim to start researching the world that our students will be working within and I have been reading 'The Future of Jobs Report' from the World Economic Forum - it's fascinating to see some of the emerging and declining jobs that are predicted and alongside this those skill sets that will be needed or in fact lost. On the next page I have included a table to show you their predictions.

Top 20 job roles in increasing and decreasing demand across industries

INCREASING DEMAND

- 1 Data Analysts and Scientists
- 2 AI and Machine Learning Specialists
- 3 Big Data Specialists
- 4 Digital Marketing and Strategy Specialists
- 5 Process Automation Specialists
- 6 Business Development Professionals
- 7 Digital Transformation Specialists

- 9 Software and Applications Developers
- 10 Internet of Things Specialists
- 11 Project Managers
- 12 Business Services and Administration Managers
- 13 Database and Network Professionals
- 14 Robotics Engineers
- 15 Strategic Advisors
- 16 Management and Organisation Analysts
- 17 FinTech Engineers
- 18 Mechanics and Machinery Repairers
- 19 Organisational Development Specialists
- 20 Risk Management Specialists

DECREASING DEMAND

- 1 Data Entry Clerks
- 2 Administrative and Executive Secretaries
- 3 Accounting, Bookkeeping and Payroll Clerks
- 4 Accountants and Auditors
- 5 Assembly and Factory Workers
- 6 Business Services and Administration Managers
- 7 Client Information and Customer Service Workers
- 8 General and Operations Managers
- 9 Mechanics and Machinery Repairers
- 10 Material-Recording and Stock-Keeping Clerks
- 11 Financial Analysts
- 12 Postal Service Clerks
- 13 Sales Rep., Wholesale and Manuf., Tech. and Sci.Products
- 14 Relationship Managers
- 15 Bank Tellers and Related Clerks
- 16 Door-To-Door Sales, News and Street Vendors
- 17 Electronics and Telecoms Installers and Repairers
- 18 Human Resources Specialists
- 19 Training and Development Specialists
- 20 Construction Labourers

18. Graphic Design	Content, Engineering, Marketing (3)
19. Information Management	Content, Data and AI, Marketing (3)

Source - LinkedIn Economic Graph

It's these documents that guide us to make sure we are developing the right skills for the students and also that we are guiding them towards accurate potential opportunities. Who would have thought, 15 years ago, that we would be employing social media managers!

So as a school we must respond or we will be producing students whose skill sets and careers advice and guidance are not fit for purpose. Here is a snap shot of just some of our intentions:

- We are offering our students virtual work experience via the Speakers for Schools platform
- We are currently working on a pilot with Suffolk County Council to offer Year 10's a virtual work experience week in July
- We are working with our Year 10 Inspirational Futures groups' on an entrepreneur project to help them develop skills for building a business

- Our PiXI Edge initiative will start looking at employability skills projects that develop future skill sets as small challenges across form time
- Our 'advice and a slice' sessions will have themed offers that include AI and computer interaction specialists
- We are sending a select few members of staff on a virtual training course to learn all about AI and how to incorporate these progressive technologies into their curriculum.

Here at Stow High - The Future
'really is' our Business

Until next fortnight...

Mrs Claire Broxton
Assistant Headteacher, Curriculum and
Inspirational Futures Lead

Welcome to our final schedule of events for National Apprenticeship Week 2021. Here you will find information on the events and activities we will be delivering during the week.

**TAKE
YOUR
PLACE**

National Apprenticeship Week 2021
8th – 12th February 2021
Schedule of Events and Activities

**Don't forget to follow us
on Facebook, Twitter and
Instagram!**

5 Apprenticeship Videos

Monday	NAW2021 begins! What can you expect this week?
Tuesday	Apprenticeship Myth Busting!
Wednesday	Weighing up an apprenticeship
Thursday	Apprenticeship research checklist
Friday	A guide for parents and carers

Our NAW2021 videos will be shared each morning on our Take Your Place Social Media. You can also watch them on our YouTube Channel!

Our NAW2021 drop in sessions will give your students an opportunity to check in with our Higher and Degree Apprenticeship Champion and ask any specific questions they have surrounding apprenticeships.

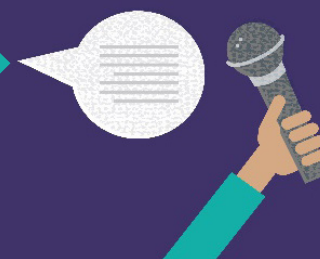

5 Drop in sessions

Monday	12:00-13:00	Click here to drop in!
Tuesday	12:00-13:00	Click here to drop in!
Wednesday	12:00-13:00	Click here to drop in!
Thursday	12:00-13:00	Click here to drop in!
Friday	12:00-13:00	Click here to drop in!

Live Speaker Events

Monday 8th February - Friday 12th February

3pm – 4pm each day

Any Questions? Contact your Higher and Degree Apprenticeship Champion here!

Monday	Introducing the Police Constable Degree Apprenticeship! Daniella Lord at Suffolk Constabulary	You'll hear from Recruitment Advisors with Norfolk and Suffolk Constabularies as they introduce the apprenticeship route into policing. They'll be covering; <ul style="list-style-type: none">• What is the new PC Degree Apprenticeship?• An overview of the PCDA recruitment process.• The types of skills and competencies they are looking for. You'll also get the opportunity to meet a current Inspector working within the police. He will be talking about the role itself, joining the police with a disability and his journey to becoming an Inspector.	CLICK TO JOIN
Tuesday	What do you need to know about apprenticeships? Federica Bocchetti-Dunn - School Engagement Coordinator with ASK	In this session you will get a master class on what you need to know about apprenticeships. This will cover; <ul style="list-style-type: none">• What are apprenticeships and how do they work?• How do you find an apprenticeship and what opportunities will you see locally?• Signposting to useful resources• How has Covid-19 affected apprenticeships?	CLICK TO JOIN
Wednesday	Meet our Alumni Apprentices! Rio, your HADA Champion and Apprentices who are alumni from Neaco Schools	We will be interviewing current apprentices who are alumni from our local Neaco schools. We will be asking our brilliant alumni questions, to find out about their experience as an apprentice. For example; <ul style="list-style-type: none">• How did you find your experience of the recruitment process?• What is day to day life like as an apprentice?• What would be your advice to aspiring apprentices? There will also be an opportunity for you to ask your own questions to the alumni.	CLICK TO JOIN
Thursday	Apprenticeships with Balfour Beatty Nicky Paine – Liaison Manager at Balfour Beatty	This will be a great opportunity for you to hear all about the apprenticeships on offer at Balfour Beatty, a multinational infrastructure group. This will include; <ul style="list-style-type: none">• An introduction to Balfour Beatty and the projects they are involved with.• What it is like to be an apprentice with Balfour Beatty• Apprenticeship levels and the types of apprenticeships that are on offer.	CLICK TO JOIN
Friday	Higher and Degree Apprenticeships with the University of Suffolk Joanne Taylor – Head of Apprenticeships at the University of Suffolk	As the University of Suffolk prepares to celebrate the achievements of their Higher and Degree Apprenticeship students in the forthcoming National Apprenticeship Week, Joanne will be sharing the career and academic progression opportunities available with an apprenticeship and some hints and tips on how to ensure your job application stands out to potential employers.	CLICK TO JOIN

Virtual Advice and a Slice Sessions

CALLING ALL YEAR 10 & 11

We will be running our 'Virtual Advice & Slice Sessions' every Thursday during lunch via Microsoft teams.

Don't miss out, links will be sent out on Wednesdays, make a note in your calendar and we will see you there!

And... All those students who attend the live session will be entered into a draw to win their '**slice**' as a whole pizza delivered to their door on Thursday evening!

**Who would you like to hear from?
Please email suggestions to
futures@stowhigh.com**

WELL DONE

Well done to our session winners from the past fortnight where we had great talks from:

Army Life: What it's like to have a career in the Army
- Winner Eddie Oxford
Darren Lewitt: Resilience and Motivation – Winner –
Shannon Peck

Calling Year 13 Apprenticeship Students

We have organised a series of workshops to help our Year 13 apprenticeship students over the coming weeks.

We are working with a company called Amazing Apprenticeships who are an external provider and they have put together the following bespoke package for our students.

Wednesday 10th February (National Apprenticeship Week) 3.00pm

LIVE presentation on Apprenticeships (what they are, levels, types, where to find) and a talk from a live apprentice. 30/45 minutes depending on the number of questions.

Wednesday 24th February 3.00pm

LIVE workshop on how to register to find an apprenticeship website and how to search for apprenticeships. 45/60 minutes

Wednesday 3rd March 3.00pm

Live CV and Application workshop. 60 minutes

Wednesday 10th March 3.00pm

Interview Skills workshop. 45/60 minutes

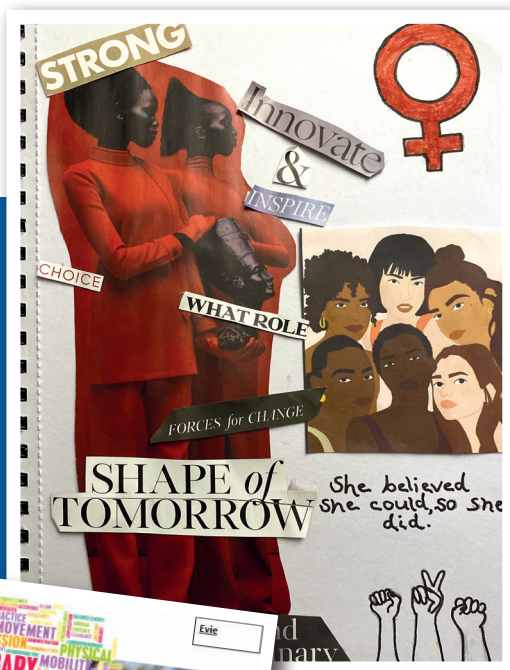

Wednesday 17th March (National Career's Week) 3:30pm

How to search in the local market. 45/60 minutes

Mrs Broxton's Year 9 Inspirational Futures Lesson
this week the theme was 'the ever changing world'.

Well done to students Evie, Nola and Madison who have already submitted their vision boards for their own inspirational future.

Check Out All Of Our Current APPRENTICESHIP VACANCIES

Local furniture retail store, Glasswells, are re-advertising for their Receptionist Apprentice vacancy. The previous successful candidate received instant promotion after showing off their skills front of house. Are you interested in starting your career working for the largest independent home department store in East Anglia?

Alternatively, your interests may be more suited to working for a smaller company such as Gaia Climate Solutions. Here you have the chance of being exposed to all the workings of a business by becoming a part of their Warehousing team.

Our Talent Coaches are available to work with you to get the best out of your application or CV, and they can guide you further by completing practice online interviews. Please email the One Step Closer team to ask for support.

Did you or
a family
member
attend
Stowmarket
High
School?

We want to reconnect with our former students. Amongst our alumni is a whole host of talented role models who we want to connect with in order to celebrate their success and inspire our current students. Alumni can be brought back to school to offer careers and education advice, mentor students, provide work experience placements and much more!

Please help us reach out to our former students using your own networks. From doctors to dancers, pilots to plumbers, we need alumni from a range of careers to open our students' eyes to what is possible.

If you are a former student or know of any who would like to stay in touch and give back to their old school, ask them to sign up.

MEET Tiffany

Tiffany is a Higher Education Champion for Stowmarket High School, helping students in years 9-11 and Sixth Form plot their path into higher education.

Tiffany Evripidou
Higher Education Champion

07980727292

tiffany@takeyourplace.ac.uk

What is Take Your Place?

Take Your Place is a government programme to help targeted young people make informed decisions about their options after school.

As part of Take Your Place students are given access to resources, experiences and guidance that will encourage them to develop passions for specific subjects.

TAKE YOUR PLACE

Why a Higher Education Champion?

Higher Education Champions work for the programme to support target students within the school. They support students to understand what higher education is and the routes to get there.

What work will Tiffany be doing?

Tiffany will be working with students in year 9-13 to offer advice and guidance around areas such as student finance, making university course choices, applications, work experience, student life and the benefits of going to university through a series of workshops and event. Tiffany will be organising trips for students to widen their knowledge on university and the course areas they can study.

neaco

Interested in Dance?

Why not check out the upcoming DanceEast Centre for Advanced Training (CAT) Taster Days.

The DanceEast CAT, supported by the Department for Education, offers high-quality dance training to young people with exceptional potential and talent in dance. To find out more about us [click here](#), or visit our [Vimeo](#) to learn more about what we do!

During the February half-term, we'll be running a series of www.danceeast.co.uk/workshops/cat-taster-days aimed at young people from across the East of England, aged 9-16 years. If you know someone who has an interest in dance, this is a great opportunity for them to experience a taste of our CAT training. No previous dance experience is needed to take part, just enthusiasm!

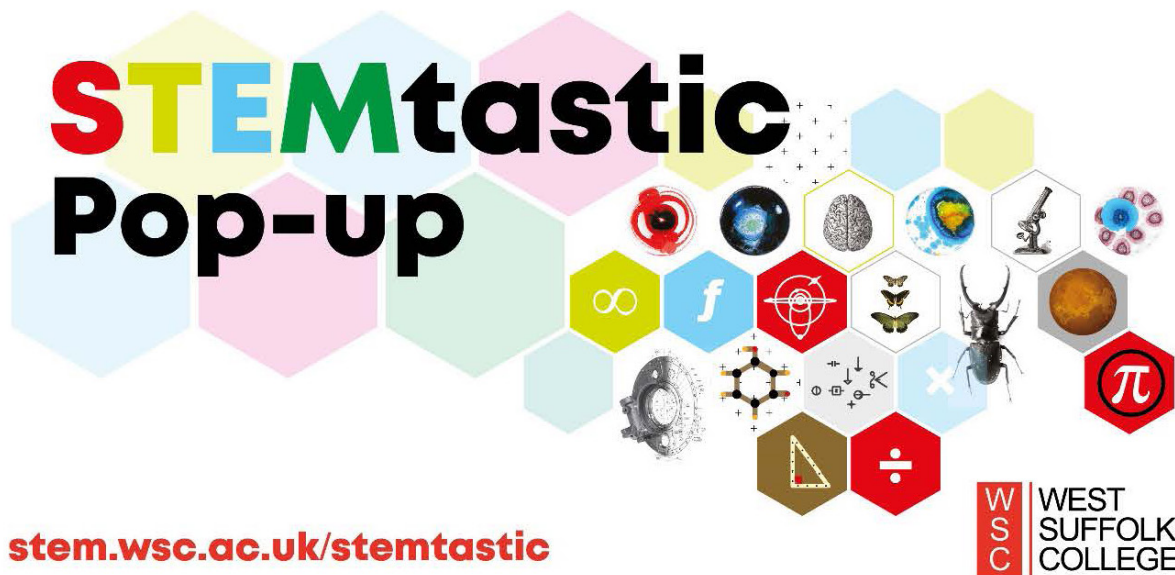

As part of our Taster Day, participants will take part in fun and energetic contemporary and creative dance workshops led by DanceEast CAT tutors and CAT Musicians – a great way to stay entertained and active this half term!

Our Taster events are free and will be host live on zoom this year:

- Boys Taster Day | Monday 15 February, 10.00am – 1.00pm (exclusively for male-identifying participants)
- Taster Days | Tuesday 16 February and Wednesday 17 February, 10.00am – 1.00pm
Please note: participants only need to attend one event
- Parent and Carer CAT Information Talk | Thursday 17 February, 7.00 – 8.00pm

We would be really grateful if you could signpost this fantastic opportunity to any young people you think may be interested in joining us for a morning of inspiring workshops!

To find out more about our taster events and how to book, [click here](#) If you have any questions at all, please contact cat@danceeast.co.uk

Routes into STEM careers - University vs Apprenticeships

We would like to inform you of our next fantastic **free STEMtastic pop up** virtual event that may be of interest to schools and pupils.

Join us our panel of experts to find out about the different routes into STEM careers. Each panellist will showcase their sector as well as giving examples of the pathways that can lead to an exciting career in that area with an opportunity for Q&A throughout. The session is be open to parents and students with an aim to dispelling some of the myths; giving clear guidance so students can confidently plan their next steps. Already confirmed for the event are:

- Rolls-Royce, BT, TWI, Treatts, Aviva, Zoopla, Tech She Can and Government Science.

For booking information please go to **stem.wsc.ac.uk/stemtastic**

University Studies at West Suffolk College

Did you know you can study a degree with US in Bury St Edmunds?

University Studies at West Suffolk College is your local higher education provision, offering courses and degrees in a friendly and welcoming campus right here in Bury St Edmunds.

Our local offer gives students the chance to stay closer to home and gain a degree qualification from one of our four faculty departments: Creative Technologies, Science and Engineering, Health and Human Science and Business, Law and Humanities.

Employability is the core of all our courses. All our degree courses have a defined route into work and

we increasingly operate a day-one approach to finding our graduates employment.

Alongside this, students also have access to support in and out of the classroom through our Academic Development Tutors and Academic Skills Advisors, as well as regular mental health MOTs.

Our website has some fantastic resources available to students thinking of applying to US; including detailed course information, subject presentations from our lecturing staff, information about Student Finance and UCAS Applications, and Q&As from our Faculty Leads.

"University Studies is about people, and we have a simple mission: to help you find, follow and fulfil your aspirations."

Join US and stand out.
