

Our Ref: KRO/JCP.109

28th January 2021

Dear Parents/Carers

Autumn Report 2020

We are writing to let you know that from 3pm on Thursday 28th January, your child's Autumn report is ready for you to view on Go4Schools. Please note that these reports refer to the timeframe before we were closed because of Covid-19. The reports do not refer to student efforts during this school closure.

If you seek any clarification or have any questions, then please feel free to email us and we will get back to you. Please can you mark your email '**For the Attention of <Teacher's name>**' so that we can direct it to the right teacher, using the email address: enquiries@stowhigh.com

Effort

This will give you an idea of how hard your child was working. Hard work really does pay off and every year we see that the most successful students, those who meet and exceed their targets, are those who put all that they can into their studies. The goal for each student should really be to achieve 5's for effort grades in all of their subjects.

Effort	Description
1	Very little effort shown in lessons. Regularly off-task. Behaviour may disrupt own and others learning. Shows very little motivation. Very poor attitude to learning
2	Some effort is shown in lessons, but this is inconsistent and there is behaviour that sometimes disrupts own or others learning. A better attitude to learning is required.
3	Appropriate effort is being shown in lessons. Behaviour is positive and motivation and attitude to learning is at an acceptable level.
4	Good effort, behaviour, motivation and attitude are shown in lessons.

5	Excellent effort in every lesson. Strives to carry out tasks to the very best of their ability. Excellent behaviour, motivation and attitude to learning.
---	---

Target

This is the target grade for the end of Year 11. It is a long range target based upon the results of the Key Stage 2 tests that students sat in Year 6. These targets will be refined as students move through the school.

Professional Predicted Grade

The report also contains your predicted grade for each subject. This professional predicted grade is based upon assessments taken to date, homework performance and the work carried out so far in lessons. Using all this evidence, this is the grade that each teacher predicts that your child will achieve in their real GCSE if they carry on as they are now.

How to login to Go4Schools for the first time:

You need to use an email address that you have registered with us. If you have let us have an email address, then this is already registered.

To login to GO4Schools you need to visit <http://www.go4schools.com> and click on the Parents log in icon in the top right of the screen.

Enter your email address in the First Time User box. Click on the 'Please send me a password' box.

Your temporary password will be sent to your email account (please allow 10 minutes for this to arrive).

Once you have logged-in to GO4Schools for the first time, please re-set your password for security.

Kind Regards

K. Rourke-Beasley

Mr K. Rourke-Beasley
Deputy Headteacher
