YEAR 7

Year 7 Netball

This week the Year 7 netball team faced Sybil Andrews in another league game. The girls welcomed **Erica Denny** to the team this week. The game started with both teams having an equal amount of possession and chances at goal. It was **Darci Palfrey** that found the hoop first to put our side ahead. Sybil then drew even going into half time. The second half saw many more goals, with **Darci** and **Danielle Taylor** adding 5 more to our tally which gave us the lead that Sybil couldn't catch. The final score was 6-3. Player of the match was **Rich Calabio** for her excellent distribution to our shooters.

Year 7 Girls Football

The year 7 had their first football match this week over in Ipswich. They travelled to Kesgrave and were up against a strong team of players who won 10-0 in the previous round! Having drafted **Darci Palfrey** in at the last minute (due to injury of our goal keeper) it was a challenging start for her in goal. Kesgrave attacked hard and managed to get an early lead, she then faced a penalty after a hand ball in the area, which was her first as goal keeper. Despite some great defensive work from **Poppy Healy** and **Rose Price**, Kesgrave had taken quite a lead by half time. With a change of formation and positions, the second half got off to a much better start. The girls had plenty of time in their half but a strong Kesgrave defence and good goalkeeping gave us no chance of a goal. Now with **Courtney Ellison** in goal, their attempts at goal were also kept away and despite another penalty for a handball, she managed to keep a clean sheet. Some great skills shown from **Keira Allum**, strong attack by **Danielle Taylor** and more defence from **Ella Turner** made the second half a much closer game.

Well done girls, great effort!

YEAR 8

Year 8 Netball

The year 8 netball team also faced Sybil Andrews this Thursday evening. It was clear from the offset that both teams were very evenly matched and we were in for a close encounter. The half time score was 4 a-piece. Player of the match, **Jasmine Randell** worked tirelessly at centre intercepting balls and feeding our shooters **Clara Owen Stiff** & **Chloe Price**. **Eve Caldwell** kept the busy Sybil shooters at bay, winning 100% of the re-bounds off the hoop. Neither team could break each other's centre pass and so it came down to the final minute of the game where the scores were again tied at 6-6. While Sybil missed their final opportunity of the game, **Chloe Price** did not, as she calmly converted her 5th of the game in the last remaining second to give her team all 3 points.

Year 8 Girls Futsal

On Tuesday the Year 8 girls faced Horringer and IES Breckland in their first ever futsal competition. The girls soon adapted to the game and went ahead early on against Breckland with **Chloe Price** and **Evie Brown** scoring two great goals. Breckland reacted well and scored themselves making it 2-1. **Bronwyn King** then scored the final goal of the game, meaning the game finished 3-1 to us.

Having seen Horringer then beat Breckland 12-1 in our break, the girls were really nervous going into their final game vs 'the favourites'. Chloe did a great job in marking their superstar striker out of the game for the opening 5 minutes of the game. However, she went on to score a hat-trick after our girls lost a bit of shape. **Charlotte Buckle** made some great saves in goal which kept Horringer from scoring any more. Chloe then got another goal back just before the end of the game.

A great effort all around girls, well done!

YEAR 9

Year 9 Badminton

The year 9 girls attended the West Suffolk Badminton on Tuesday this week. The team of **Ashleigh Baker, Evie Chenery** and **Gracie Lucas** won their league by beating Mildenhall A and Newmarket B. This took them to a final match where they faced Newmarket A for the overall winners. It was a clean sweep of games as they took both the singles and the doubles to win 3-0.

The team of **Megan Trevorrow, Milly Healy** and **Ruby Sharpe** also competed well, finishing second in their league. Megan performed particularly well as the number one seed, winning both of her individual matches.

Fixtures Next Week:
