Dear Families,

RE: Year 11 Easter Success Sessions

To support students in the build up to their final exams we will be offering a series of in-school success sessions over the Easter holidays. The aim of these is to consolidate students' knowledge and exam technique, along with increasing their confidence, at a critical point in the year. Session will be targeted, and teaching staff will inform students about which sessions they should attend.

There is no expectation for students to attend all sessions. They need to strike a balance between in school support, revision at home and rest/well-being.

Sessions in the morning will run between 9am – 12pm, and in the afternoon between 12.30pm and 3.30pm. Those who are attending full days will need to bring a packed lunch with them and will be able to use Lilies between sessions.

On arrival students will need to enter the building through the main doors in the Atrium. There will be sign-in sheets, where students will need to put their name and the session they are attending. Students should use the central staircase in the atrium to access each session. They will also be required to sign out when they have finished their day.

Students are not required to wear school uniform.

Expectations around behaviour and conduct will be the same as if students were in school normally. Any student not meeting these will be asked to leave their session and will be unable to attend any further ones over the Easter period.

A full timetable of sessions is attached to this email and has been sent separately to students in Year 11. There is also a copy on the school website. If you have any questions or queries about the timetable, please do not hesitate to contact me via email: t.west@stowhigh.com.

Alternatively, if you would like to know more about a specific session, please contact the relevant Director of Faculty.

Regards,

Mr West
