Dear Families

Would you be interested in some Business Management work experience?

On **Monday 11th April** from **9:00am - 4:00pm** Young Professionals will be hosting CIMA's Business & Management Virtual Work Experience.

The Chartered Institute of Management Accountants® (CIMA), founded in 1919, is the world's leading and largest professional body of management accountants. They are the world's leading professional qualification when it comes to business and accounting. Most of the world's top business professionals have their qualification.

As part of the work experience, CIMA will be bringing along with them a number of other business professionals from Sodexo and Balfour Beatty, two enormous multi-billion turnover conglomerates, to run online business games, psychometric exercises and workshops to test your business brain and encourage you to start thinking like an entrepreneur.

We also have the Vice President of CIMA coming to speak to us to share a bit about his career journey and experiences in the business world.

If you're interested in a career in Business, Accounting or Finance then this work experience is very much for you.

Certificates of completion for the day as well as for the business games will be awarded.

The online event is open to: Years 10 and 11
