10 March 2022

Dear Families/Student

To coincide with National Careers Week 2022, Michelle Donelan, Minister of State for Further and Higher Education, is writing to students and parents about the education, training, and work choices available to young people after they finish their GCSE's and once, they turn 18.

As a school we will be holding our own careers event during week commencing 4th April when we will be having many live in school events and activities happening across all year groups.

As ever the Futures team remain available and here for you to answer any questions you may have or to support you in the decision making process for your child's next steps, please get in touch with our Futures Coordinator Mrs Mylrea at m.mylrea@stowhigh.com

Kind Regards

Claire Broxton

Mrs C Broxton
Careers Lead
Assistant Headteacher
