6<sup>th</sup> April 2022

Dear Families,

### Suffolk Rural College Visit

We have the chance to take a group of Year 10 students to Suffolk Rural College on 15th June 2022 for a college experience day.

At this stage we would like to establish how much interest there would be and if your child would like to attend this event.

We anticipate the day running from around 9.30am - 2.30pm, with students attending three taster sessions in the department they have chosen, throughout the day. This includes a 15-minute morning break at 11.15am and a 45-minute lunch break from 12.30pm.

The college have arranged for Progress Tutors and activities from their sports teams to be on hand to support the students and ensure they do receive the best student experience at campus on the day.

There will be a small charge for transport, however, until we know numbers, I am unable to confirm how much at this stage

Please in the first instance could you complete the form [Here](#) so we can see how much interest there is.

Kind regards

*Melenie Mylrea*
