Dear Families

Take your child to Work Day – Year 9

As part of Work-Related Learning all Year 9 students participate in a Careers Guidance and Education programme. In order for the students to gain an experience of working in a business, we would like parents to take their son/daughter to work with them for one day, tying in with our Tripod to Success Structure. The date for this will be Friday 15th July 2022.

Students will 'work shadow' their parent and will also be expected to complete a short-written project.

The aims of the day are:

- To cover the differences between school and work
- To find out what an employer expects from employees
- To relate work that they are doing at school to their future careers

Should you have any questions or queries regarding the 'Take your child to Work Day' please do not hesitate to contact me by phone or email: c.broxton@stowhigh.com

If your place of work is unsuitable or inconvenient, please find a suitable alternative (friend, relative or neighbour) to help. We believe it is vital that all students participate in this programme. Please ensure that permission is obtained from the organisation's manager. Should further information be required by the organisation, this letter can be shown or alternatively, please contact me direct.

When you have been able to confirm which company/organisation will support your child, please complete the attached form [HERE](#) as soon as possible, or by 4th June 2022 at the latest.

Thank you for your support.

Yours sincerely

C. Broxton
