10th May 2022

Dear Families,

Year 8 Summer Report 2022

We are writing to let you know that from 10am on Thursday 12th May, your child's Summer report is ready for you to view on Go4Schools.

We realise that without a **Tripod Evening** it is more difficult for you to follow up on any queries that you may have. If you seek any clarification or have any questions, then please feel free to email us and we will get back to you. Please can you mark your email '**For the Attention of <Teacher's name>**' so that we can direct it to the right teacher, using: enquiries@stowhigh.com

Effort

This will give you an idea of how hard your son/daughter is working. I cannot over-emphasise just how important it is that students put in as much effort as they can with their studies. Hard work really does pay off and every year we see that the most successful students, those who meet and exceed their targets, are those who put all that they can into their studies. The goal for each student should really be to achieve 5's for effort grades in all of their subjects.

Effort	Description
1	Very little effort shown in lessons. Regularly off-task. Behaviour may disrupt own and others learning. Shows very little motivation. Very poor attitude to learning
2	Some effort is shown in lessons, but this is inconsistent and there is behaviour that sometimes disrupts own or others learning. A better attitude to learning is required.
3	Appropriate effort is being shown in lessons. Behaviour is positive and motivation and attitude to learning is at an acceptable level.
4	Good effort, behaviour, motivation and attitude are shown in lessons.
5	Excellent effort in every lesson. Strives to carry out tasks to the very best of their ability. Excellent behaviour, motivation and attitude to learning.

Progress

With the long-term target in mind, this comment indicates whether a student is making sufficient progress at this stage in their schooling.
