10th May 2022

Dear Families

University Studies at West Suffolk College are hosting a “Pathways into Policing & Criminology” information evening on May 12th, 6.00-7.30pm.

This is a virtual event which can be signed up to here:

[www.universitystudies.wsc.ac.uk/events/pathways-to-policing](http://www.universitystudies.wsc.ac.uk/events/pathways-to-policing)

The aim of the event is to clearly explain what the routes into working for the Police are and how this could be achieved through study with US.

There will be a presentation delivered by Daniella Lord, Positive Action Recruitment Advisor and Vice-Chair of the Suffolk Ethnic Police Association (SEPA) about PEQF entry routes into the police force. We will also be joined by Detective Constable Jason Thomas, part of the Joint Learning and Development team for Suffolk Constabulary.

This event is for anyone interested in finding out more about getting into the police, make sure to log it as an interaction on your Unifrog accounts if you attend. Mrs Mylrea in the LRC can show you how to do this if you are unsure [m.mylrea@stowhigh.com](mailto:m.mylrea@stowhigh.com)

Kind regards

Mrs M Mylrea  
Futures Co-ordinator
