fortnightly

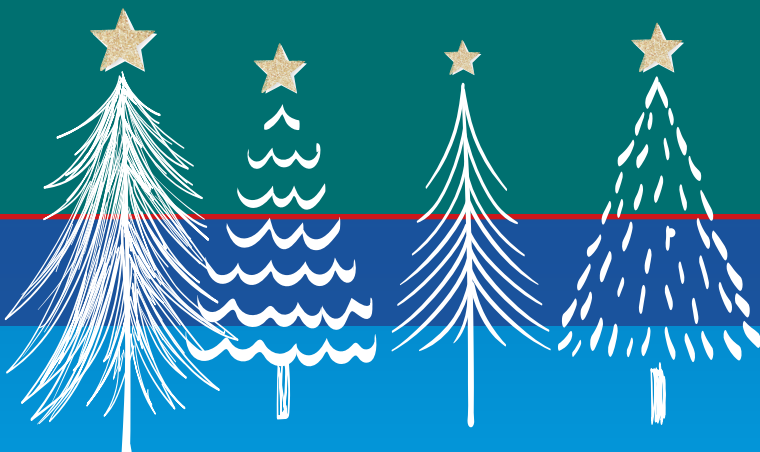

Dear Parents, Carers and Students

Merry
Christmas
and a
Happy New Year

to you all. Living, as we are with all this indecision and change, isolation and shifts in how we work, who we can see and wearing masks, it's important we all try and enjoy Christmas as much as we are able.

The latest announcement about working from home got me thinking about the importance of coping with change and being resilient. How imperative it is we prepare our children for an ever-shifting landscape and how this shouldn't always be seen as a negative. Change is healthy and more importantly finding ways to deal with it is a life skill and often opens up our minds to the wonder of new things.

It's a skill we can teach our children with guidance, modelling and reassurance. In a working environment the team member who adapts, changes, and shifts to new ways of working, new ideas and different projects with little discombobulation will be the one who is happy, successful, and able to face the world.

*Happy Holidays
one and all!*

What they used to do...

Welcome to our new feature which spotlights our current staff and where their career has led them and how they arrived at Stowmarket High School.

This week we sat down with English Teacher, Mrs Bailey to find out just 'What *She* Used To Do!'

► **What did you use to do before you worked at Stowmarket High School?**

I trained to be a journalist at university and worked in Ipswich and Germany. I then did various things before getting in to teaching including working in insurance, which was not my favourite thing, but it paid the bills!

► **What did 10-year-old you want to be when they grew up can you remember?**

I wanted to be a dancer or a graphic designer.

► **What was the best bit of advice you ever received from one of your employers?**

To never give up and to follow your dreams.

► **What advice would you give your Year 7 self now?**

To not worry that I wasn't that bright, and that hard work will get me to where I need to be.

► **What were your favourite subjects at school and how have they helped you in your job today would you say?**

English, Art, and languages. I would like to have studied Art at University but was worried I wasn't good enough. My German A Level has been the most useful qualification I have ever got as it has enabled me to travel and to spend time in Germany and make some amazing friends. Obviously, my English degree

has helped me with the job I do today, but it also gave me an opportunity to gain lots of life skills which are invaluable.

► **What is your career highlight to date?**

Not a career highlight as such but passing my Maths GCSE after three attempts in my twenties was a highlight.

► **Any career low points or comedy moments that stand out?**

Stand out moment was working for The Prince's Trust where I met The Queen, Prince Philip, Prince Charles, and Kylie among others...

Where are they now?

Welcome to our feature, "where are they now?". Featuring our past students, we spotlight where their career has led them and how their time at Stowmarket High School has impacted their career journey so far.

This week we focus on Andy Cubin who attended Stowmarket High School from 1975 - 1981

▶ **What have you done since leaving Stow High and where are you working now?**

RAF Fast Jet Pilot and now Commercial Airline Captain

▶ **What is your fondest memory of Stowmarket High School?**

Sports and the Drama productions: Carousel and Julius Dexter Nettleship

▶ **What was the best bit of advice you ever received from one of your teachers?**

Aim high

▶ **What advice would you give your Year 7 self now?**

Get your nose out of the mobile phone and iPad and do something useful and/or energetic.

▶ **What were your favourite subjects at school and how have they helped you in your job today would you say?**
Maths and Geography

▶ **Shout out to anyone in particular?**

Ralph Rutherford - Geography teacher. Ex RAF fight pilot. Stayed in touch with him throughout until he passed away a couple of years ago.

We would love to hear from you and feature you in our 'Where are they now?' series, register your interest here: futures@stowhigh.com

The virtual Routes into STEM course

EDT and Industrial Cadets would like to share with you some information about the opportunities available to students as applications for various virtual and residential courses open.

These courses offer a great insight into the different paths available as students take their next steps exploring the world of STEM. From experiencing the university life and meeting role models and industry experts to working on exciting hands-on projects and participating in STEM industry workshops - the knowledge and exposure gained will help them make decisions about their future.

For Year 9 and Year 10

Routes into STEM (Virtual) course offers an opportunity to explore college, university, and apprenticeship routes, tour a variety of institutions virtually, work on exciting projects and have access to live career sessions and mentor panels with STEM employers. If your students are enjoying their Tech, Design, Maths or Science subjects and would like to know what exciting future these subjects could lead to, then this course will help them discovering where their interests could take them.

To read more please visit our website

Students can apply now for our next course starting in February half term

CLICK HERE

For Year 11

Insight into University (Virtual) course is like no other! Whether students are interested in life sciences, chemistry, tech, engineering, physics, computer science, sustainability, aerospace, built environment or maths, it covers it all. With the mix of live sessions, hands-on practical STEM activities and projects set by leading UK universities and global STEM companies, students will have a unique opportunity to access all the amazing content in one place, pick-and-choose subjects that interests them and do as many as they wish at their own pace over the summer 2022.

For more info and the application form

CLICK HERE

INSIGHT INTO UNIVERSITY

Thank you to our supporters:

Balfour Beatty

HELP STUDENTS DECIDE WHETHER UNIVERSITY IS THE ROUTE FOR THEM

Insight into University is a comprehensive on-line course allowing students to experience STEM studies at university and the career opportunities that these subjects lead to. It will provide access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

Whether young people are interested in life sciences, chemistry, engineering, physics, computer science, sustainability, materials science, aerospace, built environment, tech or maths we have something for them. With specially developed content and live sessions from universities including University of **Cambridge, Sheffield, Lancaster, Abertay, Coventry, UCL, Imperial, Oxford, Liverpool, Birmingham** ...and more! We will also have some fantastic workshops and careers guidance from companies such as BP, Balfour Beatty, GSK, GE, Tech Partnership, as well as many, many more.

INSIGHT INTO UNIVERSITY

RECOGNITION WITH INDUSTRIAL CADETS

On successful completion of the course, which involves 30 hrs of study, students will receive a Silver Industrial Cadets award and be in a position to make a more informed decision for their UCAS application.

The course will run from 20th June until 14th August 2022 and can be completed flexibly to fit around other commitments and study at a pace that suits individual circumstances. The course is open to all students age 16+ and is suitable for all academic abilities, with activities that cover different levels of advanced study. All that is required is a genuine interest in STEM subjects and inquisitiveness about what the future can hold for them and how they can help get themselves there.

Students can apply on our website:-

<https://www.etrust.org.uk/insight-into-university>

Cost: £75 towards the cost of administration and the Industrial Cadets Silver award. Bursary places are available.

What our students say

"I've absolutely loved every minute of this course. I found the live sessions in particular very inspiring and informative, and all of the taster lectures were both accessible and challenging. I'm really excited to continue with my STEM studies."

"This course absolutely helped me with my future education and career path. The way I was able to choose which activities or lectures I wanted to complete was undeniably useful as it meant I could tailor a course to suit me. This was a thoroughly enjoyable experience."

"I really enjoyed the course and feel much more confident in applying to university having done it. The live sessions were very interesting and I was blown away by the wide range of choice of sessions."

91% of students felt that the skills and knowledge that they gained from the course will have a positive impact on their future studies and career.

84% of students felt confident or very confident in making their future study and career choices after completing the online course.

**Are you aged 14-18 living
or studying in Suffolk or
North East Essex?**

**Fully-
funded
virtual
sessions**

**Want to know more about
careers in Health
and Care?**

**Wednesdays from
12th Jan – 16th Feb
at 4.00pm - 5.15pm**

Including sessions from **StreetDoctors**
and linked with **Medic Mentor**

**Apply and register:
www.nhstalentacademy.org.uk**

**For more information contact:
ambassadors@caredevelopmenteast.co.uk**

PRE-APPLICATION SPECIAL EDITION: VOL. 1

#LongRoadLife

LONG ROAD SIXTH FORM COLLEGE APPLICANT NEWSLETTER

INFO & APPLY

BE AMAZED. BE INSPIRED. BE LONG ROAD.

Welcome to #LongRoadLife - our Long Road Sixth Form College applicant newsletter!

This special pre-application edition of #LongRoadLife is jam-packed full of key information about our college; from class sizes to enrichment opportunities, and articles that we hope you will find useful in helping you decide on your subject choices. We will also give you an overview of our admissions process and what you can expect in the months ahead.

If you decide to make an application to study with us in September 2022 you'll be hearing a lot more from #LongRoadLife and our friendly team behind the scenes - we can't wait to get to know you throughout the admission process!

Best wishes,
Long Road

**SHORT
COURSE**

YOUNG TECHNICIANS

**We are excited to
relaunch our popular
Young Technicians
Short Course for
Spring 2022!**

This introductory course is suitable for 16-25 year olds who are curious about or want to develop their knowledge, skills and employability in technical theatre roles.

Learn about sound, lighting, set design, digital theatre, prop making, stage management and more. You don't need any previous experience, just come along and get stuck in!

Sessions are delivered by our professional Production Team on-site at the New Wolsey Theatre.

Age range: 16-25

Cost: Places are free but limited.

When: Sessions take place on Thursdays, 6.30pm-8.30pm as follows:

**3rd, 10th & 17th February, HALF TERM BREAK,
3rd, 10th & 17th March 2022**

Where: Sessions will take place at the New Wolsey Theatre, Civic Drive, Ipswich IP1 2AS.

To apply for a place, please visit our website where you will find the link to a google form to fill in: <https://www.wolseytheatre.co.uk/creative-communities/#short-courses>

The deadline to apply by is Monday 3rd January 2022. We will be in touch with all applicants after that date, to let you know whether we can offer you a place.

If you have any queries about the course you can contact us at: creativecommunities@wolseytheatre.co.uk or call 01473 295930

Please visit www.stowhigh.com to see our school
