## fortnightly

EDITION 12 | 15th October 2021

## Dear Parents, Carers and Students

*“Everyone you meet always asks you if you have a career, are you married or own a house, as if life was some kind of grocery list. But no one ever asks if you are happy”*

*Heath Ledger.*

A friend sent me this quote last week and it really resonated with me. I spend most of my working days looking into how we can motivate and inspire young people onto their next steps, helping to guide them through the complex and often overwhelming journey from school to beyond. For me, it's always been about building the whole character of our students and not just focusing on the academic achievements. As regular readers of this publication will know we want to build resilience, leadership and communication skills, develop independence and organisational skills to make them a better all rounded person, prepared for their next steps.

...Continued from previous page

**Having a strong sense of self will lead to better decisions. Yet my new focus of late, around young people and their mental health or as 'The Mix' beautifully describes it, 'emotional fitness' has given my lens a new filter.**

I find myself thinking, 'Let us guide them through this minefield gently and with a steady hand, let's listen to what they are telling us, really listen. Make sure that they are happy, content and emotionally fit, so they can reflect on their 'grocery list' with a smile on their face and a quick quip of 'does it matter, because all I need to be is happy'.

Some wonderful opportunities have come our way this past few weeks so watch out for letters home for virtual work experience opportunities and a chance to dip your toe into these for a whole year! Also keep an eye out (year 10 and 11 parents) for our next event - 'Building towards Emotional Fitness' on the 18th of November. A chance to listen to MIND talk about looking after your child's mental health during these stressful times in their life and how to keep a good balance in their lives. We will also have stalls from a variety of businesses who offer services that can help people stay emotionally fit, including The Mix, Stowmarket Leisure Centre and many more.

## **CAREERIOSITY FESTIVAL 2021**

**Transform the way you think about the future!**

**Have you heard about Careeriosity Festival? It is taking part over the half term holiday and free to attend. Some of the sessions will be running at Stowmarket High School.**

Students are being invited to find out how to get a job in film, music or gaming as well as a range of other careers and opportunities during an exciting new festival coming to Stowmarket this half term. The four-day event, called "Careeriosity" is running between 25 – 28 October, and will bring together a range

of organisations and experts including Screen Suffolk, John Peel Centre, Prima Donna Festival, Apprenticeship Suffolk, West Suffolk College, Menta, Kinetic Science, and the Museum of East Anglian Life to showcase some of the vast range of exciting opportunities available to young people here in Suffolk.

The sessions are free to attend and cover a wide range of topics such as event management, music and film production, games development, self-employment sports science, artificial

intelligence, and forensics.

Aimed at students between the ages of 14-19, sessions will offer practical tips and guidance on different career paths as well as hands-on experience and workshops to provide a taster of the media, tech, and creative job opportunities available in the county. There are also events for aimed at younger students between the ages of 9-12yrs. While the sessions are free to attend, places must be booked in advance by visiting the Careeriosity website.

# CALLING ALL budding Year 11 Law Students

If you're thinking of Law as a possible career I have a really great opportunity to share with you.

On Tuesday October 26th from 9pm - 4pm we will be hosting a Virtual Law Work Experience with Clifford Chance.

Clifford Chance are one of the world's biggest law firms and we've teamed up with them to give students nationwide the chance to get an insight into the legal industry within a magic circle firm.

Hear from some of the most experienced lawyers and solicitors as they take us through workshops specifically designed for this event, as well as having the chance to ask your questions to the very best!

If you'd like to attend this rare opportunity make sure to apply quickly to ensure your spot is secured using the link below.

## Law Virtual Work Experience:

- Tuesday 26th October, 9am - 4pm
- Partner welcome talk
- An insight to law, their different departments and areas of work (including non law routes)
- Breakout rooms with solicitors in talking about different areas of law
- Workshops & interactive sessions
- Open to all Year 11
- FREE opportunity but limited spaces

**APPLY**

**26TH OCT • 9-4PM**

# Where are they now?

Welcome to our feature, "where are they now?". Featuring our past students, we spotlight where their career has led them and how their time at Stowmarket High School has impacted their career journey so far.

This week we focus on Andrew Robinson who attended Stowmarket High School from 1985 to 1990.

▶ **Where are you working now?**

I'm working in Bury St Edmunds as a Tax Partner with RSM, a national firm of accountants.

**What is your fondest memory of Stowmarket High School?**

Simply hanging out at break time in the sunshine and having a laugh with my best mates (we're still in touch now).

**What was the best bit of advice you ever received from one of your teachers?**

It's easy to get the toothpaste out of the tube, but impossible to put it back again. A metaphor for "be careful what you say or do – once it's said or done, it can't be unsaid or undone."

▶ **What advice would you give your Year 7 self now?**

The same advice I gave to my Year 7 daughters – don't worry, if you do your very best, it will be more than good enough.

▶ **What were your favourite subjects at school and how have they helped you in your job today would you say?**

Math's, by some distance. How has it helped me in my job? I'm an accountant – enough said! Unfortunately, I underestimated the importance of English and the power of eloquence and the written word – big mistake.

▶ **Shout out to anyone in particular?**

Mr Dawson, my Maths teacher (long since retired). He was absolutely excellent. And my best mates from school - you know who you are!

We would love to hear from you and feature you in our 'Where are they now?' series, register your interest here: [futures@stowhigh.com](mailto:futures@stowhigh.com)

    - GET YOUR QUESTIONS ANSWERED BY FINANCIAL PROFESSIONALS
  - OPEN TO STUDENTS IN Y12 /S5, Y13 / S6, Y14

EST. 1981

# With TMJ, you can look forward to a bright future

Adam Prime, Workshop Supervisor

**An apprenticeship is something I would strongly recommend! What a fantastic way to learn while also earning money. My apprenticeship at TMJ was extremely beneficial to my career.**

After leaving Stowmarket High School, Adam began his Carpentry and Joinery Apprenticeship at TMJ. He attended college on day release for three years, before working full-time at the Workshop. Adam decided to try his hand at Scheduling, which he found to be very enjoyable. However, he felt that the Workshop was a better fit for him. He worked hard and was eventually promoted to Workshop Supervisor.

Kickstart your career at TMJ!

## Did you know?

We are looking for 2022 apprentices... Apprenticeships are a great way of starting a career, working alongside experienced professionals whilst training at the same time. Gain new skills whilst earning!

**Did you or  
a family  
member  
attend  
Stowmarket  
High  
School?**

We want to reconnect with our former students. Amongst our alumni is a whole host of talented role models who we want to connect with in order to celebrate their success and inspire our current students. Alumni can be brought back to school to offer careers and education advice, mentor students, provide work experience placements and much more!

Please help us reach out to our former students using your own networks. From doctors to dancers, pilots to plumbers, we need alumni from a range of careers to open our students' eyes to what is possible.

If you are a former student or know of any who would like to stay in touch and give back to their old school, ask them to sign up.

# LAW, BUSINESS & POLITICS EXPERIENCES

*"This is one of the best experiences anyone could ever have"*

Trustpilot ★★★★★

## Experiences in Law, Business & Politics

### Ages 12-18 | At UCL and around the UK

This term we are offering your students immersive weekend experiences in 9 careers relating to Law, Business and Politics. Learn from top criminal barristers, investment bankers, MPs, management consultants, corporate lawyers, United Nations staff and more.

Students can attend in-person at UCL or live online, with some options around the UK too. We expect to be fully-booked for the November Young Lawyer and Young Investment Banker programmes by next Friday 15th October.

## All Law, Business & Politics-Related Programmes

Click on any career below to register for an experience that will supercharge your future.

**Accountancy:** Discover offshore tax and forensic accounting

**Entrepreneurship:** Design a business strategy to rapidly grow a company

**Environmentalism:** Create a futuristic, eco-friendly transport system

**International Development:** Experience a climate change summit

**Investment Banking:** Trade the stock market alongside City bankers

**Law:** Experience a live murder trial with top barristers

**Management Consultancy:** Help a company go zero-carbon

**Marketing:** Rescue your client from a rapidly-escalating PR disaster

**Politics:** Debate with former MPs in a simulated House of Commons

# YOUNG PROFESSIONALS

As you may know, work experience within the legal sector is very hard to come by so we are really excited to be able to share this opportunity with you! Together with Browne Jacobson we have put together another brand new fantastic Virtual Work Experience program to take place on Wednesday 27 October during the October Half Term Holidays.

We get so many messages from students keen to get an insight into the legal world and with the incredible line-up of speakers we've been able to bring together this is set to be one of the best opportunities you'll find if you're interested in a career in law.

Browne Jacobson are a top 50 law firm with offices all over the UK and revenues of £80million. This work experience is going to provide students with a fantastic insight into how a law firm works and makes money, the different departments they have and an opportunity to ask your questions to top legal professionals.

## Law Virtual Work Experience:

- Wednesday 27th October, 9am - 4pm
- Senior Partner welcome talk
- An insight to law, their different departments and areas of work
- Variety of speakers including QC's, barristers & solicitors
- Talk from Shaun Wallace / Dark Destroyer (Barrister) from the Chase (ITV)
- Talk from Lubna Shuja (2022 President of The Law Society) - "The importance of diversity and open access to a legal career for all"
- You will receive a Certificate of Completion that you can add to your Unifrog CV and talk about in your UCAS applications / future job interviews. We will also provide you with a reference from the firm.

To ensure this remains a Covid-19 safe place, please book a timeslot via: [together@themixstowmarket.co.uk](mailto:together@themixstowmarket.co.uk)

# Virtual ROUTES INTO STEM

Helping young people make an informed choice on the right STEM pathway for them

**Flexible study courses running in October 2021, February & July 2022**

## Discover where your interests could take you

If you are enjoying your Tech, Design, Maths or Science studies at school and would like to know what exciting future these subjects could lead to, then we have the course for you! Our Virtual Routes into STEM course makes finding out about your future STEM options, developing your skills and knowledge, and hearing from experts easy to do.

## We are here to help.

At EDT, we are highly experienced in connecting young people with industry and inspiring STEM futures. There are more career options in STEM than you could ever imagine, and many different routes to get you there. Join one of our online courses to find out more and we will help navigate you through.

## Virtual Routes into STEM course

This is an innovative and exciting opportunity for all students aged 13-16 (Yr 9&10 / S3&4) to explore the various routes they can take towards their STEM (Science, Technology, Engineering and Maths) career. It is designed to give students an insight into pathways following GCSEs/Nat 5 and Highers including study routes via college and university and direct apprenticeship routes through industry. It is suitable for all academic abilities - all that is required is a genuine interest in STEM subjects and inquisitiveness about what the future can hold.

Approximately 20 hours of studies are required to be completed over 3 weeks, allowing students to study flexibly at a pace that suits their individual circumstances, giving them the freedom to study around other activities that they may have planned.

**LIVE**

A variety of live interactive sessions will take place allowing students to listen and ask questions to diverse STEM professionals and student ambassadors.

# ROUTES INTO STEM

- gives students a fantastic insight as to what life would be in a variety of different settings. Students will be able to tour a variety of multiple colleges, universities, and employers across the UK virtually.
- grants access to a comprehensive program of study, engaging challenges, and a wealth of information enabling students to better understand their future study and career options.
- sets out a chance to take part in exciting STEM activities and projects including hands on problem solving, decision making and critical thinking tasks.
- provides access to live STEM education and career sessions with range of role models including student ambassadors, apprentices, graduates, academics as well as mentor panels with STEM employers to join live Q&A session with an opportunity to ask our panel of experts any questions.
- awards students with an extremely valuable addition to their portfolio, a highly regarded industry led accreditation that was inspired by HRH The Prince of Wales. Upon successful completion of the course, students will receive a Bronze Industrial Cadets award and be in a position to make a more informed decision about their future.

## Course details

The course cost is £60 towards the cost of administration and the Industrial Cadets Bronze award. Bursary places are available, please refer to the application form.

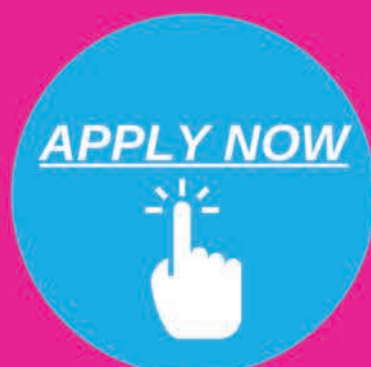

### Next course dates:

21st Oct – 11th Nov 2021

10th Feb - 3rd Mar 2022

14th Jul – 4th Aug 2022

If you have any further questions, [click here for more info](#) or please contact our team at [studentrecruitment@etrust.org.uk](mailto:studentrecruitment@etrust.org.uk) or call on 01707 906106

**Don't just take our word for it!**

**96%** of the students feel their skills and knowledge have improved from taking part in the course.

*"The course gave me a clearer insight into the different routes following my GCSEs, and mapped out the bigger picture along with skills needed to be successful in any STEM career."*

**99%** of students agree or strongly agree they have learnt more about

STEM career opportunities available to them following their GCSEs/Nat 5 and Highers.

*"It helped me gain confidence in my future career decisions and solidified what I would like to pursue in the future. Furthermore, I improved skills which I would not have otherwise, like independent working and research for the graduation project. I am really grateful for the opportunity."*

**99%** of students feel confident about making future study and careers choices after the course, compared to 63% pre-course.
