YEAR 9

Year 9 Football

On Thursday the year 9 girls football team travelled to Portman Road to play in a tournament organised by Ipswich Community Trust. They faced a number of schools over the day, where they won 2 and drew one (against the overall winners Northgate). A great day out with a team with a range of football experience. Shout out to **Chloe Taylor** and **Chloe Mayhew** who were joint top goal scorers. They have been invited back to watch an Ipswich Town game.

On Thursday the year 10 girls competed in the West Suffolk rounders tournament. They faced King Edwards, Sybil Andrews, County Upper and Ormiston Sudbury Academy. The girls took some time to settle but managed to beat OSA in their first game by 3 rounders. They then faced Sybil, where they really hit their stride and scored a huge 15.5 rounders out of 20 balls! They went on to beat County Upper by 5 rounders, before they had their decider game vs KEGS where scores were tied and it came down to the final ball of the game. They managed to get the final batter out, winning their final game. This meant they were undefeated and crowned West Suffolk Champions! They will compete in the county finals on June 23rd, which are being held at Stowmarket so please come and support them.

Special mention must go to **Evie McKane** who's bowling was literally unstoppable! **Madison Skoulding** and **Courtney Cunningham** for their excellent batting. **Lillia Prior** for her amazing work as backstop and to **Grace Davis** for making some unbelievable catches throughout each game. Well done girls, I look forward to watching you compete in the county finals.

Fixtures after half term:

Monday 6th June:

- Athletics trials/ practice for **Years 7, 8, 9 and 10**. Selection for the Super 8's teams will be made at this.
