07 June 2022

Dear Families

As a reward for all their efforts and progress made this year we have arranged an end of year trip for the students in 7S, on Wednesday 29<sup>th</sup> June. After consultation with the class the vast majority voted to go to *JUMP IN* (Ipswich).

The cost of trip is £8.00 and this covers the price for a one hour jump session. Additionally, students may have to purchase specific grips socks at the venue for an extra cost of £2 (they should bring this cash in with them on the day).

We will travel on the school minibuses, leaving at the end of break time (11:30 am) and returning to school for the start of lunch time (13:30). Students will need to bring their Stowmarket High School PE kit to get changed into at break time.

If anyone in the form does not want to participate on the trampolines, they are still welcome to come along to spectate - this would be free of charge.

The trip is now available to pay for on ParentPay. If you have any further questions or feel that you need additional financial support, please do not hesitate to contact us: [finance@stowhigh.com](mailto:finance@stowhigh.com)

Kind regards

*Claire Ferguson*
