14th September 2022

Dear Families

BT Virtual Event for Students

Young Professionals have some exciting news to share with a brand you might just be familiar with. Welcome to BT - one of the world's leading telecommunications companies, home to BT Sports, Data, Broadband, Technology, Creative Media, TV and much more! Headquartered in London and operating in 180 countries worldwide, BT has over £21 billion in revenue and employs just over 100,000 people.

To celebrate this, they are hosting several virtual and in-person Insight to BT evening events taking place across the UK. This is going to be an incredible opportunity for you to not only hear all about the fantastic work and career opportunities BT do and offer but also for you to gain an experience that is in-person and something that you can put on your CV's/personal statements.

BT Kick-off Virtual Event:

On **Monday 26th September** from **5:00pm - 6:00pm** join them for their kick-off event with BT where you will get a one-hour introduction to who they are and what they do and see if a career with them might be for you! During the virtual event, they will also be sharing 3 exclusive October Half Term In-person events where you will have the opportunity to come to a BT office location, take part in some great workshops and most importantly network and meet business professionals! This opportunity is free to attend and open to all Year 10 and Year 11 students.

The connections BT make are helping to solve the world's biggest challenges such as the recent global pandemic, climate change and cyber security. Through the power of technology, they are.09.22 supporting customers to live, work and play better together.

If you would like to join them for this online event and then for an in-person opportunity during the October Half Term, please click on the link below.

Registration Link: <https://www.surveymonkey.co.uk/r/BT-Group>

Do not forget to add this to your Unifrog account and let me know that you are taking part m.mylrea@stowhigh.com.

Kind regards

M Mylrea
