Dear Families

### Law Focused Careers Event for Students

Are you interested in pursuing a career in the legal world?

On **Thursday 22nd of September** from **5:00pm - 6:00pm** Young Professionals are hosting their first law focused careers event of this new academic year. They are kicking off with a strong start as they are being joined by law experts Clifford Chance as they take us through the ins and outs of one of the world's most prominent legal firms.

They will also be running an **in-person work experience event** at their London headquarters in Canary Wharf during the October half term for a number of students. Details will be shared about this during the virtual event next week so make sure to join them to be in with a chance of securing yourself a spot at that.

Clifford Chance are one of if not the most prestigious law firms in the country and operate on an international scale with more than 3,000 lawyers working across 34 offices in 23 different countries. Many of the world's leading organisations look to Clifford Chance not just for legal expertise but for advice on business-critical issues.

If you would like to join us for this online event and hear from some one of the world's top legal professionals sign up using the following link: <https://www.clifford-chance-insight.com>.
