12 October 2022

Dear Families

The next GCSE fieldwork day will take place on Wednesday 19<sup>th</sup> and Thursday 20<sup>th</sup> of October. The aim is to gather data that shows a change in an urban area and we will be visiting various sites around Ipswich. In the summer students will then be asked questions on what they completed on this day and their trip to Southwold.

The bus will leave at 8.50am and return for the end of the school day. Students are expected to wear appropriate clothing, bring writing equipment and behave in an appropriate manner. There will be an opportunity for students to buy lunch at various places in town, that will add to an interesting and informative day.

Students know which day their group will be attending and have been briefed on the work booklet they have to complete.

The cost of the trip is £6 please log on to ParentPay and complete the permission and online medication consent and if your child is entitled to a free meal whether you would like to order a packed lunch. If you need login details or require financial assistance, please contact the finance office at: [finance@stowhigh.com](mailto:finance@stowhigh.com)

If you have any questions or require any further information, then please contact me at school

Kind regards

*Simon Peckford*
