03 November 2022

Dear Families

Year 11 Design Evening – Monday 7th November 2022

The Design department will be running a Design Evening where students from Year 11 can stay in school to get extra support from their teachers within Resistant Materials, Textiles, Food Preparation and Nutrition, Hospitality & Catering, Engineering and Graphics. This event is to support Year 11 Design students to complete their non-examined assessment work. Your child has been identified as someone that would benefit from attending. These projects/units of work contribute significantly to the overall Design subject GCSE grade so are extremely important.

The evening will be held on Monday 7th November 2022 and will start after school at 3.10pm. The evening will finish at 6.00pm. Some students have indicated they would like to order pizza later on in the evening, if they would like to do this, they should bring some money with them. Students will need to arrange their own transport home. Should you have any questions please do not hesitate to contact me by email at j.hawkins@stowhigh.com.

Please return the consent slip below to your child’s Design teacher.

Yours faithfully

Mr J Hawkins

Director of Design & Technology
