Dear Families

Royal British Legion Fundraising Letter

Following on from the school assemblies this week, you may be aware that Mr Wise is running the London Marathon in April to raise money for The Royal British Legion. Please ask your child for more information about the reasons why Mr Wise has chosen this charity to fundraise for or you can visit his fundraising page using the QR code or link below.

As a school we will be doing a number of things in the lead up to the marathon to support Mr Wise with his training and fundraising. The first event will be a staff vs students netball game at lunchtime on Friday 18th November 2022; students will be able to make a charity contribution on entry to the sports hall to watch this.

The second event which is currently planned is a sponsored run which will be open to all students to participate in on Friday 2nd December 2022 during lessons 3 and 4. Students will have the choice of either completing 1 mile or 5km which will be run around Chiltern Fields. Students are able to wear what they would like to complete their run so can do it in fancy dress if they wish. Entry is £1 per student which will all go towards Mr Wise's RBL fundraising. It would be amazing if students can also seek additional sponsorship. If the students wish to complete this in a competitive way they can do or they are also encouraged to cover the distance in a more creative way if they would like.

If your child would like to participate in this sponsored run around Chiltern Fields then please return the reply slip below by Friday 25th November 2022, indicating which distance they would like to complete, together with payment of their £1 entry in cash to Mr Wise. If they manage to get any additional sponsorship for completing this challenge, please either send this directly to Mr Wise's Just Giving Page with the student's name.
