Dear Families

Thinking about a career in Law? The Young Professionals have recently partnered up with a brand-new global law firm that we think you'd like to hear from!

On **Tuesday 15th October from 5:00pm - 6:00pm** they are hosting an online event with international law firm Bird & Bird.

Bird & Bird is an international law firm with a focus on helping organisations being changed by technology and the digital world. With over 1400 lawyers in 31 offices across Europe, the Middle East and Asia-Pacific, a career with Bird & Bird could take you all over the world.

The support Bird & Bird provide to aspiring cohorts of diverse potential leaders of the firm is demonstrated through their Future Leaders programme. Join us to hear more about this fantastic programme they lead within the firm.

If you are fortunate to be part of this cohort, you will be given the time and space to focus on what you want from your career and what really matters to you. Bird & Bird spend time thinking about what being a leader of the firm really means and what it takes for you personally to get there.

Throughout the event you will get some incredible insights from top lawyers at the firm and leave with a really great understanding of the many routes into this specialist area of law.
