Year 7

Year 7 Football

1 - The Year 7's travelled to Sybil Andrews for the Quarter Final of the West Suffolk Cup, looking to continue their unbeaten start to the year. It was a slow start from the team and some poor marking at a corner allowed Sybil to score a scrappy opening goal. However, we started to grow into the game and were creating some good chances. The equaliser came just before the break as **Lewis Randell** committed the keeper and squared the ball for **Ben Hooper** to finish into an empty net. We nearly took the lead before the half time whistle when Ben chipped the keeper only for the ball to be cleared off the line. The boys dominated the second period and got the goal they deserved through a composed finish from Lewis. There were further chances to extend the lead, but the team saw the game out well with Pablo having very few saves to make. Final score 2-1.

YEAR 8

Year 8 Football

2 - Stowmarket began their county cup run with an Emphatic victory against local rivals Stowupland.

*Stowmarket started strong and played some very good football creating many chances. Harry's free kick hit off the inside of the post and eventually halfway through the first half with a Seering run from **Jasper Piper** through midfield, where he smashed a shot in from just outside the box. Soon it was 2-0 when a great footballing move and the cross in was deflected off an opponent player for an own goal. Right on half time with Stowmarket's defence and keeper virtually having nothing to do, Stowupland got a free kick on the edge of box which was a superb finish into the top corner.*

HT 2-1 Stowmarket

*Stowmarket came out and continued to dominate and a great chance from **Jasper** just sailed wide. Halfway through the second half with stowupland coming into the game a little bit more, Stowmarket scored 3 quickfire goals in 3 minutes. **Harry Patterson** netted a superb free kick into the top corner, followed by **Oscia King** with a great jinking run followed up with a neatly chipped finished and rounded off with the best of the lot which can only be described as a screamer from **Harry** from 30 yards into the top corner!*

Stowmarket then saw out the game and ran out as comfortable winners. A fantastic win, great team spirit and onto the next round we go!

Stowupland 1 - 5 Stowmarket

Year 9

Year 9 Boys Futsal

3 - On Thursday the year 9 boys competed in a futsal tournament where they faced Thomas Mills, Debenham, Hartismere and Stowupland.

In their first game they faced Stowupland which was a close encounter. Scores were level at 3-3 after **Archie Pickett** scored an early hat-trick but Stowupland managed to secure the winner in the last seconds of the game. They then faced the overall winners of the tournament which were Debenham where they lost 3-1. They soon picked themselves up from this after Archie scored another hat-trick and **Seth Peachment** added himself to the score sheet to beat Hartismere 4-1. In their final game they faced a strong Thomas Mills side who had already drawn with the overall winners. This was their best game of the tournament as there was some excellent team play on show. **Reuben Franksen** and **Albie Blanchard** played some excellent balls forwards which meant **Harry Thorpe** and Archie could find the net. Chris Howell made some outstanding saves in goal keeping us in the game to win 3-1. Overall, the boys finished 3rd. Well done!
