Dear Families

At Young Professionals, we have run two parent/families focused 'Your Child, Their Future' events back in September 2021 and February 2022 and across the two webinars we had a staggering 5000+ parents and carers attend virtually from all over the UK.

I'm writing to announce that we have our third parent/family information evening taking place this November.

The job market for students leaving school or university can be difficult to navigate and now more than ever we need to help our young people by making them aware of all the opportunities available to them, as well as providing them with advice and tips on securing the very best opportunities when they enter the workplace. We would like to extend our invitation to all parents and families to attend our **'Your Child, Their Future' Event on Thursday 24th November from 6:00pm – 7:30pm.**

We have leaders from some of the biggest employers in the world including KPMG, BT Group, Capgemini, British Airways, Linklaters and more who will each come along to talk to you, as parents and families, about how your son/daughter/young person can best navigate the job market to find some incredible work experience/internship placements, as well as graduate and apprenticeship opportunities. We will be sharing some useful tips around psychometric testing, how to prepare for assessment centres, putting together a CV, filling out application forms, as well as advice on how you can prepare your child/young person for the working world.

This event is completely free of charge, and it will be running via Zoom on Thursday 24th November from 5:00pm - 6.30pm. We encourage you to join this event virtually with your son/daughter/young person, or the whole family and ask any questions that you may have, directly to leading employers.

The registration link can be found below here, so please do sign up if you would like to attend. The zoom link will be emailed to you closer to the time.
