Dear Families

**Viewing of the film '1917'**

I am writing to request your permission to show parts of the film '1917' in class as part of your child's study of the conditions and injuries of soldiers sustained during the First World War. The film gives a very realistic representation of the trenches and therefore is an excellent way of giving them a good visual understanding that works very well alongside the descriptions and images used in lessons.

However, as the film is age 15 rated, I require your permission to allow your child to view it. The rating refers to the use of profane language and injury detail.

If you **DO NOT** wish your child to watch this material, please complete the form below and return the reply slip to Student Services, or email me at [d.relf@stowhigh.com](mailto:d.relf@stowhigh.com) by 10<sup>th</sup> March 2023

Kind Regards
