09 March 2023

Dear Families

I am writing to you with details about the two NEU strike days which are currently still scheduled to take place next week on Wednesday the 15th and Thursday the 16th of March.

On those days, the school will only be open to Yr 11 students.

We will offer a timetable that is similar to that which was offered during the last strike day. Details are included below. If there are any students who are entitled to a free school meal on those days and are intending to stay for lunch, then can they please let us know by emailing us on liaison@stowhigh.com, so that the canteen can be prepared. For those students of year groups that are not in school, but do usually receive free school meals, we will look at providing families with vouchers, as we have done in the past. More information will be sent to families nearer the time.

For our Yr 11 students, the school day will end after period 4, but students are welcome to stay for lunch and should they not be able to get home until the end of school, then they are welcome to carry on with their own private study, here in school.

The buses will be operating as normal.

	Wednesday	Thursday
Tutor Period	Normal tutor rooms	
Period 1	Science	Maths
Period 2	Maths	Normal Options Subjects
Period 3	Revision Activities	Science
Period 4	Science	Revision Activities

Kind regards

Karl Rourke
