Dear Families

Wear a Colourful Accessory – World Autism Acceptance Week Monday 27 March 2023

Next week is World Autism Acceptance Week, the theme for this year is colour. On Monday 27 March 2023 we will be inviting students to wear a colourful accessory to school and add a splash of colour to their school uniform.

We expect students to be in full school uniform, but think of a way of adding a colourful accessory to their uniform.

We will also be running some events in the atrium during the week and hope to produce a colourful mural.

Kind regards

Katy Farrow
Assistant Headteacher
