Dear Families

Easter Success Sessions – Extra Photography sessions added

Students have requested that extra Photography sessions be added to the 'Easter Success Sessions' taking place in school during Easter school holidays. The extra Photography exam support sessions run all day on Wednesday 12 April 2023. Students will have access to school equipment, they will be able to do photo shoots in the classroom, have editing demonstrations and get exam planning advice from their teacher.

Any students who have not completed all of the homework catch-up tasks set each week on Satchel One are advised to attend. Students can attend in the morning, the afternoon or both sessions.

For your information, the photography GCSE exams will run between the 2 - 5 May 2023.

Kind regards

Mrs Gates
Teacher of Art
