YEAR 8

Year 8 Boys Futsal

2 - Heartbreak as Stow high lose out on county finals in the last second of the game!

Stowmarket Year 8 boys futsal team hosted at Stowmarket welcomed Stowupland, Thomas Mills, Hartismere, Debenham and Stowmarket missed out winning the tournament and progressing through to the county finals by literally 1 second.

Stowmarket played Stowupland first and despite going 1-0 down managed to come back and win 2-1. We then played Thomas Mills who took an early 3 -0 lead, but Stowmarket showed resilience and nearly drew the game but lost out 3-2.

*Due to results going our way this meant that 2 wins from the final 2 games, Stowmarket would win the tournament and this started well with a nervy 1-0 win against Debenham and many thanks to **Teddy Allen** for some fine goalkeeping saves which even got a high five from the ref! Last match against Hartismere who had lost all their games and a win was all that was needed to secure a county finals place and win the tournament. Stowmarket went 1-0 down but managed to come behind to go 2-1 up and defended like crazy to hold on but with 10 seconds to go, Hartismere had a corner which was cleared, but the shot back was then going wide and cruelly deflected off one of our players into the far corner with 1 second remaining and as the ball hit the net, the buzzer sounded for full time. This meant that Stowmarket finished 3rd out of 5.*

*A valiant effort from the boys with credit going to **Harry, Oscar, Robbie, Teddy, Ryan, Jack and Jasper** for the hard work and effort and representing the school in a superb manner. Football can be such a cruel game!*
