## Year 7

### Year 7 Girls Football

*1 - On Wednesday the Year 7 girls played Ormiston Sudbury in the Quarter Final of the County Cup.*

*The game was close from the start of the game but Stowmarket had majority of the possession. **Sienna Scott** opened the scoring after she found the back of the net in the 6th minute. The second half ended 1-0 after OSA defended well for the rest of the half and their keeper pulled off a number of saves.*

*Captain **Ava Chapman** scored early on in the first half after some great individual skill. OSA fought back and then scored one themselves to make the score 2-1. The rest of the game was pretty close until the final 2 minutes of the game, when **Isla Kidd** (Player of the Match) crossed the ball to an unmarked **Ava**, who beat the keeper to secure the game for the girls.*

*A 3-1 win and the girls are through to the county cup semi-final! Well done girls!*

## Year 7 Boys Rugby

2 - On Friday last week the year 7 team took to the Suffolk tournament in the pouring rain. In the freezing conditions the boys worked brilliantly together with **Rui Gayle** making some great tries and **Jack Yeo, Jae Pullen** and **Bobby Shephard** with some hard runs and tackles. **Finley Morgan** was working hard to gain possession in rucks and **Jack Lodge** and **Finley Lambon** had some lovely runs up the wing. Out of their 4 games the boys best show was their last against Stowupland where they had put all their new skills into practice and came out with a fair draw, despite being wet through and cold. Well done boys, not an easy afternoon but you never gave up and showed great resilience!

## YEAR 8

### U13 Boys Handball

3 - The Year 8 Boys travelled to Thurston this week to play in the West Suffolk Tournament. They started the tournament well drawing both their opening games 4-4 against Thurston and Westley. They then faced a strong Mildenhall team and despite defending well we lacked an offensive threat and lost the game 4-0. We therefore played Westley again in the 3/4th place playoff, scores were tied again at the end with Westley taking the win on penalties. Top scorer of the tournament was **Harry Buckle** with **Teddy Allen** making some excellent saves in goal.

## U13 Girls Futsal

4 - On Thursday the u13 girls futsal team travelled to Westbourne Academy to participate in the county finals. The team suffered a big blow on the day as their top striker was off school and so they only had a team of 5.

This did not deter the girls as they put everything in to each game and worked so hard with no rest. The girls did extremely well and came third overall after facing Westbourne, Stoke and Sir John Leman. Year 7 student **Ava Chapman** was playing up an age group and was our top scorer overall. Well done to **Pheobe Fox, Poppy Healy, Freya Underwood, Ava Chapman and Ella Turner!** 3rd in the county!

## Year 9 & 10

### Year 9 Boys Rugby

This week the boys attended the re-arranged Suffolk tournament. Their first opponents were East Point academy, who had a big squad and defended hard. Our boys worked brilliantly together offloading the ball before it got caught up and some amazing tackles made by **Robbie Flack** and **Albey Finch** stopped East Point from gaining distance on the pitch. Unfortunately, **Albey** went down injured and then closely followed by **Ollie Miller** which meant the boys were down to 8.

The boys battled on and with some great runs from **Harry Thorpe** and **Lewis Attwell** and great kicking from **Caiden Foreman**, the boys finished their first game with a win. Their second game against Felixstowe was a hard game, with **Finley Craddock** and **Rasmus** making some good runs and tackles and Caiden's quick thinking getting the ball out of scrums efficiently. They defended well, but Felixstowe took the win and actually went on to be 2nd place of the whole afternoon. Their boys last match was up against local rivals Stowupland. Still with our depleted team of 8 the boys had a great match showing strong teamwork and co-operation, despite great runs by Reece and Harry they unfortunately just missed out by one try. A great afternoon of rugby, well done boys!

## U15 Girls Cricket

*5 - On Tuesday a team of year 9/ 10 girls competed in the West Suffolk Indoor Cricket Tournament. They faced Culford School and Sybil Andrews.*

*The girls came 2nd overall, beating Sybil Andrews and loosing narrowly to Culford School. The organiser from Suffolk Cricket gifted the girls a set of stumps, balls and bats as she was so impressed with their attitude and progression of ability over the tournament.*

*There was some excellent bowling shown from **Jasmine Randell** and some great batting shown from **Chloe Taylor** and **Naomi Selby**. Well done to the whole team - I look forward to the outdoor cricket in the summer term!*

## Year 10 Girls Rugby

This week we attended the Suffolk area rugby tournament where we joined forces with St Benedicts. **Maisie Keeble** was the first one to join their side, making some great tackles as their outside centre. **Ashleigh Baker** and **Evie Yarnton** were the next ones to join in, both learning new skills in the scrum. The girls worked brilliantly with the other school and took many runs and tackles to help St Benedicts stay on top. Ashleigh Baker got her first ever try! Well done to all the girls that came along and gave up their time.

## Fixtures and extra clubs next week:

### Monday 27th March:

- Year 8 Girls Handball @ Thurston vs MCC, TCC & TCC (3:10pm-6:00pm) *J.Howland*
