27 April 2023

Dear Families

Year 7 Spring Report 2023

We are writing to let you know that from 10am on Friday 28 April 2023, your child's Spring report is ready for you to view on Go4Schools.

The Tripod Evening for **Year 7 will now be on the 25 of May 2023** and is a face-to-face event at the school. Please do bring any questions that the report might generate to this Tripod Evening. If it can't wait that long, then please do email us, marking it for the attention of the teacher who you are wishing to contact and email it to: enquiries@stowhigh.com.

Effort

This will give you an idea of how hard your son/daughter is working. I cannot over-emphasise just how important it is that students put in as much effort as they can with their studies. Hard work really does pay off and every year we see that the most successful students, those who meet and exceed their targets, are those who put all that they can into their studies. The goal for each student should really be to achieve 5's for effort grades in all of their subjects.

Effort	Description
1	Very little effort shown in lessons. Regularly off-task. Behaviour may disrupt own and others learning. Shows very little motivation. Very poor attitude to learning
2	Some effort is shown in lessons, but this is inconsistent and there is behaviour that sometimes disrupts own or others learning. A better attitude to learning is required.
3	Appropriate effort is being shown in lessons. Behaviour is positive and motivation and attitude to learning is at an acceptable level.
4	Good effort, behaviour, motivation and attitude are shown in lessons.
5	Excellent effort in every lesson. Strives to carry out tasks to the very best of their ability. Excellent behaviour, motivation and attitude to learning.

Progress

This refers to how much progress has been made so far this year. We base this on the data that we have for students from their KS2 Tests and the CAT4 tests that students sat when they joined us in September. If your child is not making expected progress, then please do contact their teacher for further information or raise it in the Tripod Evening appointment that you have with that teacher.

How to login to Go4Schools for the first time:

You need to use an email address that you have registered with us. If you have let us have an email address, then this is already registered.

To login to GO4Schools you need to visit <http://www.go4schools.com> and click on the Parents log in icon in the top right of the screen.

Enter your email address in the First Time User box. Click on the 'Please send me a password' box.

Your temporary password will be sent to your email account (please allow 10 minutes for this to arrive).

Once you have logged-in to GO4Schools for the first time, please re-set your password for security.

Yours faithfully

Mr K Rourke-Beasley

Deputy Headteacher
