Dear Families

Year 8 PSHE lessons

During the weeks commencing Monday 5 and Monday 12 June, students in Year 8 will be looking at 'What is Cancer?' and 'Loss and Bereavement' during their PSHE lessons. Whilst this is an important part of the curriculum and delivered with much sensitivity, we know that this may be a difficult subject for some students.

If your child may find this a difficult lesson, please contact Mrs Fisher on s.fisher@stowhigh.com or ask your child to see their PSHE teacher in advance, so that we can put appropriate support into place.

If you have any questions please contact Mrs Fisher on the email address above.

Kind regards

Mrs Fisher.

Teacher of Maths
