14 September 2023

Dear Families

Careers in Science & Engineering virtual event on Tuesday 19 September 2023 - 5:00pm - 6:30pm

Calling all aspiring Science & Engineering hopefuls! Have you ever wondered how the Shard in London was built? Or perhaps how the London underground was constructed? Did you know Cadbury chocolate uses science to produce all their products you buy off the shelves. This event is your chance to come face to face with all the employers involved behind some of the world's biggest constructions and brands products!

The Young Professionals want to invite you to their incredible Careers in Science & Engineering virtual event on **Tuesday 19 September 2023 at 5:00pm - 6:30pm**. They will be joined by some huge FTSE 100 companies such as Mott MacDonald, Spectris, Berkeley Group, RAF and TFL, who each will present keynote sessions throughout the evening as well as running some fun and interactive workshops for you to take part in.

As well as this we will be hosting some informative panel discussions, providing you with key insights into their upcoming in-person work experience, insight events and apprenticeship opportunities this year. This is going to be a fantastic opportunity to kick start the new academic year with lots of great learning from the industry as well as a chance for you to ask lots of questions to professionals.

Following the event, you will receive a certificate of completion within 7 working days. This can be used on your CVs or LinkedIn profile and will undoubtedly enhance your applications for upcoming opportunities and help your CV to really stand out!

This event is open to all students from across the UK and Ireland.

These events are very popular so make sure you sign up below as soon as possible to confirm your place at this incredible event.
