You will shortly receive another email to the above event which will be running from 6.00pm to 7.00pm.

We have identified that your child may prefer to visit the above event before the rush of the crowd, and we are planning on opening the event to you from **5.30pm to 6.00pm**, aimed to encourage students and families who would benefit from a low sensory and quieter atmosphere.

The evening will be informal and is essentially an opportunity to gather information about colleges, apprenticeships and sixth form options. We have representatives from 14 local sixth form and college providers. Light refreshments will be served and I will be on hand if you need any advice or would like to book a one-to-one careers appointment for your child if they have not had one.

You can arrive from **5.20pm** and will have time to browse the stands before the doors open at 6.00pm.

Deputy Headteacher, Mr Adam Pickering will be on hand to welcome you, along with other members of the Senior Leadership Team and Head of Year 11.

You can of course attend the event from 6.00pm and choose not to take advantage of the quiet period, the choice is yours. **Please only complete one attendance form** on either the link below or the one in the following letter if you plan on coming at 6.00pm to indicate your attendance. It is important that we know numbers for safeguarding and catering purposes.

Please note that both the Onehouse Road and Gainsborough Road entrances will be open for car parking, however, spaces are limited, so we do encourage walking to the event if you are able.

You will be given some written literature on arrival and please do take notice of the large screen in the atrium which will also be rotating important messages during the evening.
