

PE Newsletter 18th-22nd September

Year 7, 8 & 9

Its been fantastic over 200 students attend football and netball trials this week alone!! We can't wait to see loads of students compete for the school teams this year! Well done to all those that attended!

Year 10 & 11

1 - On Thursday the U16 Netball team competed in the West Suffolk Tournament where they knew there was a chance to qualify for the county finals. They faced a variety of schools over the day and played with little or no rest in between games. They faced County Upper, Culford, Sybil Andrews, Thurston, King Edwards and Finborough.

The girls started their tournament extremely well beating County 14-0, Thurston 7-0 and Sybil Andrews 12-4. Much to their delight, they then beat Culford 12-4 in what was a very high intensity game. With the girls beginning to tire, they then played Finborough School who won the competition last year. The girls matched their intensity throughout but fell short at the end loosing by only 2 goals. Their final games was against KEGS which was another evenly matched game. The girls were behind by two in the first half but came back in the last two minutes to win the game by two.

The girls qualify for the county finals on Saturday 11th November where they will face the best teams across the county.
