Dear Families

Year 11 GCSE Parent Information Evening – Thursday 19 October 2023

I am writing to you because your son/daughter is entering a critical time in their learning journey with us, and we would like to meet with you to share some important information about what to expect over the remainder of Year11.

It will come as no surprise to you that those students with the highest level of parental support and engagement throughout their final GCSE year tend to be the ones who achieve the targets set for them.

The **Year 11 GCSE Parent Information Evening** is taking place on **Thursday 19 October 2023**, starting at **6.00pm**.

The evening will consist of a presentation in the main hall followed by an opportunity to meet your son/daughters form tutor. During the presentation we will cover topics including:

- The Year Ahead.
- Support and Intervention.
- Wellbeing

As mentioned, after the presentation you will have the opportunity to meet your son/daughters form tutor. They will be your main point of contact throughout the year and this is great opportunity to share any initial queries or concerns that you may have.

Please confirm your attendance by clicking [here](#) so that we can prepare sufficient resources for the evening.

I very much look forward to seeing you on the 19 October 2023.

Please note that this evening is predominantly aimed at parents, but students are more than welcome to attend the evening should they wish.

Yours faithfully

Tom West
Assistant Headteacher
