Dear Year 10 Students

Introduction

I hope this message finds you well and you are finding the start of Year 10 both challenging and rewarding.

First and foremost, I want you to know that my door is always open. Whether you have concerns, questions, or simply want to share your thoughts, I am here to support you. Your well-being and success are my top priorities, and I am committed to ensuring that this academic year is a positive and fulfilling experience for each and every one of you.

As we embark on this journey together, I also want to take a moment to celebrate the positive things that will undoubtedly happen within our year group. Whether it's academic achievements, personal milestones, or moments of kindness and camaraderie, I believe in acknowledging and celebrating the good. If you are playing football for the school or an outside club, or have a piano recital or drama performance, I want to hear about it.

I encourage you to embrace every opportunity for growth and learning, both inside and outside the classroom. Let's work together to create an environment where each of you can thrive academically, socially, and personally.

If you ever need assistance or just want to chat, feel free to drop by my office or send me an email. I am here for you.

Let's make this year one filled with positive experiences, shared successes, and personal growth.

Best regards,

Mrs L McLoughlin
Head of Year 10
