Dear Families

The upcoming NHS Virtual Work Experience Programme commences on Sunday 5 November 2023!

The NHS Virtual Allied Healthcare Work Experience presents a remarkable opportunity for aspiring healthcare professionals. It's not every day that students get the chance to hear from our incredible guest speaker, Shelley Blane, a seasoned radiographer with over 27 years of experience.

Shelley will provide invaluable insights to help these future professionals embark on their dream healthcare careers. Additionally, students will gain an up-close and personal look at the healthcare industry, including diverse roles and a deep dive into patient care, following the journeys of two patients through treatment.

The NHS Allied Healthcare Work Experience is the largest programme for aspiring healthcare professionals, having successfully invited 12,000 students to participate in its programme last academic year - many of which have gone on to study:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and Language Therapy
- Pharmacy

Once registered, students will receive access to their virtual work experience portals. Better yet, every complete session comes with a Work Experience Certificate, and for those who complete the full 6-month program, there's a Highly Commended Reference – a golden ticket for their apprenticeship and UCAS applications. Students can register individually at any time throughout the 6-month programme using the link below. We recommend booking early to gain as much out of this programme as possible. **Places are £10 a session** to cover administrative and technological costs.
