Dear Families

Storm Ciaran

I am sure that you have seen the weather forecast for a potential storm bringing more heavy rain and high winds overnight on Wednesday and Thursday during the day.

I wanted to inform you that we are aware of the expected weather conditions and have discussed this with members of our Senior Leadership Team. I am writing to assure you that we are monitoring the situation carefully and will ensure that we keep parents informed of any developments as soon as possible.

If any parents feel that the weather conditions could make travel potentially unsafe over the next few days, then we would ask that you exercise your own judgement in making this decision as different locations may experience different complications to travel.

We endeavour to ensure the most up to date information regarding this is on our Facebook page and website, please refer to these in the first instance before calling. We try our best to answer all calls but as you can imagine, the phone lines can become very busy with queries regarding updates.

If for any reason the school must close tomorrow, work will be set on Show My Homework for students. We do not anticipate this but would like to ensure you have as much information regarding the matter as possible.

Kind regards

Ms L Hernandez
Headteacher
