Dear Families

Year 11 Tripod Evening – Thursday 18 December 2023

We are excited to invite you to make appointments for your child's next tripod evening. The evening will be booked online, and the booking system will open on Thursday 4 January 2024 at 10.00am, with all appointments occurring in school.

At Stowmarket High School, we believe it is valuable to regularly and continually discuss the learning and progression of all students. We also believe it is of equal importance for that conversation to occur between parent, student and school, ensuring all parties are aware of the key learning skills that are needed to enable the expected progression. We realise the importance of Year 10, especially in setting the standards needed to make sure \$Forename\$ reaches their potential over the last five terms of their mainstream education.

With only a matter of weeks of your child's education at Stowmarket High School, we would like to utilise this Tripod Evening to ensure the right interventions and strategies are in place to give your child every success in the Summer Examinations.

The Tripod Evening is on Thursday 18 December 2023, from 4.00pm – 7.00pm.

To make your appointments please login at: <https://parents-booking.co.uk/stowmarket>. The booking system will close at 12 noon on Thursday 18 December 2023.

To login you will need to enter:

- Your first name and surname
- Your child's first name, surname and date of birth
- The login details you enter must match those we have on record for you

Please note when making bookings for science that your child has more than one science teacher. Please only make one appointment with one of the science teachers. After you have made your appointments, you can choose to print or e-mail a confirmation of your booking.

If you are unable to book at home, please contact the school office for help.
