

PE Newsletter 11th-14th December

Year 7

1 - Monday after school, the year 7 girls football team travelled to Chantry Academy for their semi final game in the County Cup.

They were up against a formidable Chantry team with a highly talented striker. Unfortunately, the girls bow out of the cup after a 6-0 defeat. Despite playing well throughout the match, they battled hard in the second half, but our opportunities to score were missed. Star performers included **Martha Healy** who made many crucial tackles, and **Mylea King**, who provided a constant engine.

Now, our focus is on our West Suffolk Cup final, which takes place next year!

Year 9

2 - The year 9 girls played Debenham and County High in the U14 Suffolk Schools Futsal Cup on Thursday. Following a last-minute drop out, **Pheobe Fox** stepped in as goalie and played fantastic, clean sheets in all four games.

Poppy Healy and **Freya Underwood** produced several excellent tackles that eliminated any potential threats.

While **Courtney Eliston** and Year 8 **Ava Chapman** came together, they were an unbeatable duo, 14 goals in 4 games between the pair. Unbeaten in all of their games, a brilliant achievement for the 5 girls who head into the County Finals!!

Year 10 & 11

The year 11 netball team faced Sybil Andrews this week for another league game. They started extremely well and in the first half were winning by 5 goals. Sybil brought it back in the second half

and came within 3, but the girls managed to hold them off and increase their lead, therefore winning the game 20-12. Player of the match went to **Evie Chenery** for her fantastic long range shots.

On the night, Sybil couldn't bring a year 10 netball team and so the girls also played their year 11 team. They again, deiminated and came away with a 10-1 win.
