Year 9

Year 9 Futsal

1 - The year 9 boys took part the area futsal tournament on Tuesday against Thomas Mills and Hartismere, whilst Stowupland were a no show.

The team played excellently throughout the tournament and went on to win the tournament without losing a game, which means they have now qualified for the Suffolk county finals!

***Osca King (6), Ryan Seager (3), Jasper Piper (2) and Harry Paterson (1)** were the goal scorers for Stowmarket.*

Year 9 Badminton

2 - On Tuesday the year 9 girls and boys badminton teams competed in the West Suffolk badminton tournament.

They all faced Finborough, Stowupland and Thurston. The girls came 3rd overall and the boys came in 4th overall. An excellent effort all around, against some excellent opposition.

Year 9 Netball

3 - The U14 netball girls faced Thurston on Thursday evening in the western region league after a long spell without a game due to postponed fixtures.

The girls played incredibly well across all quarters, **Poppy Healy, Freya Underwood and Iyla Webb** were our defensive trio, **Layla Peckford** dominated the centre court and **Daisy Edmans** supplied **Danielle Taylor** and **Keri Naivunivuni** with some brilliant balls into the D.

Despite **Danielle** and **Keri's** combined 16 goals, the game ended in a 16–16 draw. Well done, girls!
