Our Ref: MMY-JCPEngineering&ConstructionVirtualEvent

31st January 2024

Dear Families

You do not want to miss this opportunity to speak to the biggest names in Engineering & construction in one place. On Thursday 8th February, from 5.00pm - 6.30pm, The Young Professionals are hosting a Careers in Engineering & Construction Virtual event!

If you're serious about a career in engineering and construction, then this is the event for you. This event brings together the most prestigious organisations in this industry from Mott MacDonald, RAF, Spectris, TfL, Places for London, Barratt London and National Grid! There is no opportunity like it!

Throughout the event you will hear from senior leader panel discussions on their best tips on making it to the top, as well as apprentices who provide insight at what life is like there. Most importantly, you will have lots of opportunities to ask questions directly to Engineering, Construction and Property Management professionals whilst hearing about all the exciting routes into the industry including work experience placements and apprenticeship programs on offer.

This incredible event will give you a wealth of knowledge and insight into the top-tier industry as well as an opportunity to meet like-minded individuals already making moves in their roles – giving you lots of new professional connections and a huge advantage in securing work experience or a degree apprenticeship.

If you want to boost your career in Engineering & Construction, then apply now using the link below:
