Dear Families

January Success Sessions

I hope that you have had a relaxing Christmas.

This is just a quick email to let you know that Year 11 Success Sessions will be starting up from **Monday 8 January 2024**. I have spoken to students in assembly this morning about the need to now target their revision based on areas of development from PRE1.

They need to target subjects and topics where it has been identified that they have gaps in their knowledge and understanding. Class teachers will be helping them with this.

Alongside success sessions, students can also tackle these areas through the use of GCSE Pod. A separate letter was sent home yesterday to explain what this is and how students can utilise it for revision and subject support.

Success Session - Timetable 1 - 8th January to 16th February.
