

PE Newsletter 5th-8th February

Year 8

Year 8 Boys Handball

*1 - The year 8 handball team played in the first round of the National Schools tournament on Thursday against Copleston High School and Holbrook Academy. The boys worked really hard throughout both of the games; unfortunately the results didn't go their way losing narrowly in the first game and to a well drilled team in the second. They should all be proud of their attitude and effort throughout the tournament. Top goal scorer and player of the tournament was **Lewis Randell**. Another notable performance was **Finley Lambon**.*

Year 8 Girls Handball

2 - The year 8 girls handball team played in the first round of the National Schools tournament on Thursday against Holbrook Academy. This was the first time that the girls had played in a competitive handball fixture. Holbrook came away with a 19-10 win.

Gracie Williams was the player of the tournament, as well as top goal scorer. Other notable performances came from **Lacey Ling** in goal and **Isabelle Beckley** as another attacking threat.
