· ACHIEVING SUCCESS TOGETHER ·

Our Ref: MMY.JCPWE EDF Energy Sizewell B

12<sup>th</sup> March 2024

Dear Families

We have had 3 Work Experience placements become available at EDF Energy (Sizewell B Power Station) in Leiston.

It is quite a distance from school, and there is no direct transport links so it would mean that students would need to be taken to and from the placement by car each day.

If your child is interested in one of the following placements, and you can get them there, please email me on [m.mylrea@stowhigh.com](mailto:m.mylrea@stowhigh.com) and I can then send you the necessary form to secure the placement.

The placements are in the following departments:

- Engineering maintenance – Shadowing and assisting our maintenance team working on the power station equipment.
- Day Operations – Part of our operations department, they control the work taking place on site and carry our monitoring and checks across the site.
- Investment delivery – The station projects team, managing short term but high-cost investment in the plant, project managers, engineers, safety engineers.

I look forward to hearing from you soon.

Kind Regards

*Melenie Mylrea*
