### Year 7 Rugby

*1 - On Thursday the year 7 rugby team competed in their first tournament of the year. The boys did extremely well and won all of their games, winning the tournament.*

***Roman Ward** was the top scorer and putting some great tackles in throughout. **Ben Jones** worked extremely hard throughout. **Caleb Green** put in some hard, great tackles. But all the students represented the school brilliantly.*

## Year 8

### Year 8 Girls Cricket

Well done to the 6 girls that played in the West Suffolk Indoor Cricket game where they faced County High school. **Lacey Ling** captained her side and her batting was impressive. All of the team fielded well and unfortunately they lost by only 2 runs overall. Thank you to **Mia Cassedy** that stepped in at the last minute to play.

## Year 9

### Year 9 Boys Rugby

2 - The year 9 rugby team went to Ipswich School on Wednesday for their tournament.

*They all competed very well in the top league, against some well drilled private schools. The team were led well by **Harry Older**. **Vinnie Goddard** was the player of the tournament, as he was outstanding throughout all of the games. Special mention also must go to **Noah Meads** and **Harley Smith** who were also excellent.*

### Year 9 Netball

On Wednesday the year 9 netball team attended the Suffolk County state schools competition. They faced a number of schools including: Thomas Mills, Farlingaye, Thurston and Ormiston Sudbury Academy.

They did extremely well throughout the tournament, winning two out of their four games, leaving them in 3rd position. Player of the tournament was captain **Danielle Taylor**, for her excellent communication and shooting.

## Year 10

### Year 10 Netball

*3 - The year 10 netball team also attended the Suffolk County state schools competition. They faced a number of schools including: Debenham, Sir John Leman, County High and Sybil Andrews. The girls dominated the tournament, winning all of*

their group games convincingly. Excellent shooting was shown from **Clara Owen- Stiff** and **Faye Parker**, while **Jasmine Randell** and **Chloe Price** were working hard to feed them from the mi-court.

The girls went on to play the runners up of the other group which were East Bergholt, where they went on to win 7-2, qualifying them for the final. They then faced Sybil Andrews again in the final, after they had beat KEGS. This time the game was more closely matched, with both teams scoring off their centre passes. The game reached full time and scored were tied at 7-7. They played 2 minutes extra time, where the girls came to light and scored a further two, winning them the final! **Eve Caldwell** was the player of the final, making a number of key interceptions in the final stages of the game.

## NEW SECTION- Mr Wise's Manager of the Month!

*5 - Well done to Miss Howland who is Team PE's manager of the month for February. Her notable team successes include the U15 girls making it to the regional handball finals and the U15 girls netball team winning their recent state school tournament. Whilst the sporting success is a reflection of the students' performance it would not be possible without the hard work and guidance of the PE staff so well done Miss Howland!*
