Dear Families

The Young Professionals have an incredible virtual careers insight event opportunity specifically for female students in Year 10 and 11 for those passionate about STEM subjects with a company you might just be familiar with, Amazon.

Originally starting out as an online bookstore, Amazon has grown into a global giant, leading the way in e-commerce, cloud computing, digital streaming, AI, and more.

Amazon offer a range of outstanding apprenticeship opportunities from across the many areas of the organisation for students looking to kickstart their professional journey.

Event Details:

- Date: Tuesday, 8th October
- Time: 5:00pm - 6:30pm
- Format: Virtual (Zoom)

During this Women in STEM webinar, you'll hear about the many exciting career paths in digital, technology and engineering roles at Amazon. It's a fantastic chance to learn how you can grow with a company that operates at the forefront of multiple industries across the globe.

If you're interested in data, business analysis, technology, or engineering, this event is just for you!

Register here:

We look forward to welcoming you and helping you learn more about where a career at Amazon might take you.

If you have any questions, please get in touch and we hope to see you there! Do not forget to add this to your Unifrog account and let me know that you are taking part m.mylrea@stowhigh.com

Kind regards
